Ottawa, December 13th, 1909.

Sir,

The Department is in receipt of Mr. Inspector Green's report on the Sechelt Boarding School. In this report Mr. Green states that the roof and school building need painting. The Department is disposed to grant some assistance for this purpose in the way of supplying material, and I have to ask you to be good enough to obtain a detailed estimate of the cost of this work exclusive of the labour. In this estimate the area that is to be painted should also be stated.

Your obedient servant,

Secretary.
