15th Aug.

Sir,

Referring to my letter of the
14th instant, enclosing cheque in
payment of the order no 653?
being telegraphs etc for the
month of June, I have to say
that you will report whether
the telegrams sent might
not be shortened and fewer
sent, as the account for
June appears very large.

Your obedient servant
W. H. M. [Signature]
Deputy of the Asst. Comd.
of Ind. Affairs

The Asst. Comd.

for Ind. Affairs.
