Dear Uncle Willie,
January 26th, 1940.

The very lovely photographs
of you and Pat arrived
yesterday afternoon and we
were truly thrilled to receive
it. John and I are so glad
to have it and we immediately
set it up on the piano beside
the baby's crib you gave us for
our wedding present. It shows
us to advantage there and the
we know that we will be the
way of many young Canadian
who would that young have a
similar photograph of them
