

Names, family relationships according to this present physical embodiment, events of joy and sorrow connected with the "long ago," intelligent knowledge of and sympathy with passing circumstances, have been bountifully supplied by these radiant immortals, thus rendering doubt as to their *bona fides* impossible.

Phenomenal Proof**PHYSICAL FORCE**

The record of a few instances of the control of physical objects by the disembodied may interest the reader.

A vase weighing about two pounds and containing a bouquet of flowers is carried from a pedestal, situated at a distance of seven feet from the table at which Ka-Ra-Om and his recorder of psychic phenomena are sitting with hands clasped, and placed upon the table.

Who or what carried the vase?

On another occasion a suggestion is made by a communicating spirit that some rearrangement of the furniture might facilitate a change of vibrations. In an incredible brevity of time,
