— The —
COLONIAL *o*
IRREGULARS
OF THE NAVY

*A thrilling narrative of the sea fights of
the privateers of Nova Scotia in three Wars.*

This little booklet recounts for the first time
the heroic deeds performed by the fisherboys
of this province in West India Waters, and
on the Atlantic seaboard of Nova Scotia.
It's record also illustrates how Canadians
can behave with that courage and spirit
which British seamen always show when
fighting the enemies of their country. . .

By GEORGE MULLANE.
