

# Will It Pay You?

That is the question. Will it pay you to trade here? We say yes, decidedly so.

We give you the best goods that money will buy. You are absolutely sure when you buy here that you are getting good things.

Our prices are generally lower than you can buy the same quality goods anywhere else.

We do not make many mistakes—it is impossible not to make some—when we do, we make what is wrong, right, quickly and gladly. On these we rest our claim for public confidence.

May we have your orders?
