LOVELL'S GAZETTEER

OF

BRITISH NORTH AMERICA,

TO CONTAIN DESCRIPTIONS OF EVERY

CITY, TOWN, VILLAGE, &c

IN THE

Dominion of Canada, Newfoundland and Prince Edward Island.

THE PUBLISHER OF THE DOMINION DIRECTORY would hereby announce that he has in preparation A GAZETTEER OF THE ST. LAWRENCE AND ATLANTIC PROVINCES OF BRITISH NORTH AMERICA. The important work is intended to supply the amplest information respecting the Cities, Towns and Villages, as well as to the people of Canada, Newfoundland and Prince Edward Island. A Manual replete with accurate information touching the great country in which they live, and to the people of other lands it will expose the advantages, commercial, manufacturing and agricultural, and the undeveloped wealth of this portion of the Empire.

The GAZETTEER will be carefully compiled, and the most accurate and reliable information inserted.

Special prominence will be given to the Cities, Towns and places of historical interest and commercial importance, while villages and hamlets will be briefly and lucidly described.

The Lakes, Rivers, Bays, Capes, Inlets, &c., will receive as full and accurate description as can possibly be obtained.

The Provinces will be treated as follows: Ontario, Quebec, Nova Scotia, New Brunswick, Newfoundland and Prince Edward Island. The Provinces of British Columbia and Manitoba will also receive due attention.

The Publisher feels confident that this GAZETTEER will be found worthy of an intelligent and liberal patronage, because it will be indispensable to Public, Professional and Business men, and instrumental in inducing a large migration to these shores.

The Work will contain an Appendix giving the Dominion useful information respecting the Country, the Districts where he may settle, &c.

The GAZETTEER will be printed on fine paper, small 8vo, 480, in double columns with fine type, and bound in cloth. It will be kept within the smallest compass consistent with its object, which is to supply all the information necessary, at a price placing it within the reach of every one.

Information suitable for the pages of the above work will be thankfully acknowledged.

JOHN LOVELL.

DOMINION DIRECTORY OFFICE,

LOVELL'S DIRECTORIES:

A SERIES OF

PROVINCIAL, COUNTY, TOWN,

AND

CITY DIRECTORIES,

TO BE PUBLISHED THROUGHOUT THE

Dominion of Canada, Newfoundland and Prince Edward Island.

THE WANT OF ACCURATE, USEFUL AND INTELLIGIBLE LOCAL DIRECTORIES has been severely felt in Canada, and only in a less degree by the inhabitants of the neighbouring Provinces. Indeed the remedies for this serious annoyance, that the Publisher of the DOMINION DIRECTORY has determined to make by experience, and will endeavor by liberal outlay and encouragement may be expected for such books as the commercial public have very generally failed to obtain, should the execution of this undertaking, as it is the Publisher's intention to have it, systematically, and periodically, with new and correct editions of the same work. He does further hope that whether such Directories be issued in their character, like the Dominion Directory; or local, like the Provincial Directories or Halifax, like the County, City or Town Directories, they will in all cases be printed with the greatest care, constructed on the simplest plan, and sold at the lowest possible remunerative prices. Moreover, they will be issued at a period that will place in the hands of the community each of every person who has occasion to avail himself of such information as a Directory is intended to supply.

As the Publisher of the DOMINION DIRECTORY is thoroughly acquainted with the modes in which information for such uses should be obtained, and as he has assembled an immense staff of thoroughly reliable, and gathered about him a reliable body of canvassers, in the Dominion, as well as some of our cities, have made themselves perfectly acquainted with every branch of this department of industry, he holds to offer guarantees of his ability to satisfy a community of average wants in printing and publishing accurate, useful and intelligible Directories.

The Publisher has no hesitation in guaranteeing as thorough correctness as it is possible to attain, and respectfully points to the Provincial Directory as an example of the style of workmanship he will desire to maintain in the completed series of books.

Information from merchants and gentlemen in localities where the want of a Directory is respectfully solicited, and will be accepted as a special favor, and acted upon wherever sufficient encouragement is guaranteed to justify the enterprise.
