

## A CHARMING Christmas Gift

**N**OTHING could be more appropriate or acceptable as a Christmas Gift to a mother or to little children than the new and exquisite volume, **Stories from the Life of Jesus: Illustrated from the Great Painters.** The stories are told in the very words of the Bible, with connecting links, by Rev. George S. Carson, author, Carson's Primary Catechism. Preface by President Falconer, Toronto University.

The work (of about 200 pages) is exceedingly well done, and the 71 stories with their connecting links will fix the narrative of the Gospels firmly in the memory of the child. It will be a precious and abiding possession.

The 25 full-page illustrations are from the great masters, each one of them a beautiful and true interpretation. Children never weary of a good picture.

The cover design is striking and attractive, and embodies an exquisite photogravure of The Nativity. The paper is heavy and the binding durable.

The volume is from the publishing house of Hodder & Stoughton, London, England, publishers of the well known, Gospels in Art.

**Postpaid to any address, \$1.00**
