LIFE INSURANCE

THE RATE OF INTEREST.

It is common knowledge that the main element in the success of a Life Insurance Company is the rate of interest earned on investments.

It is, also, common knowledge that The Great-West Life earns the highest rate of any Company. Last year, the gross rate earned was 7.65 per cent., and the net 7.05 per cent.

When, added to large earnings, are low expenses—large returns to the Policyholders may be looked for. The results under The Great-West Policies are unequalled.

Ask for information, and for a copy of the booklet "Actual Results, 1910."
