**CAUTION.**—An attempt has been made to put so-called "Electro Magnetic" Brushes upon the market, but the Post-Office authorities at Washington have published the company as a fraud. We therefore caution the Public to be careful that "Dr. Scott's" name is on the box and "Electric" on the Brush. Ours is not wire, but a pure bristle Brush.

"I cheerfully testify to the merits of Dr. Scott's Electric Hair Brush. It cures my headaches within a few minutes. I am so pleased with it I purchased another for my wife. It is an excellent Hair Brush, well worth the price, aside from its curative powers."

**BROOKLYN.**  
Gents.—I have never before given a testimonial, but am willing to encourage the use of an honest remedy. I am so pleased with your Hair Brush that I deem it my duty to write you recommending it most cordially. My hair, about a year since, commenced falling out, and I was rapidly becoming bald; but since using the Brush a thick growth of hair has made its appearance, quite equal to that which I had previous to its falling out. I have tried other remedies, but with no success. After this remarkable result I purchased one for my wife, who has been a great sufferer from headache, and she finds it a prompt and infallible remedy.
