MINNIE HAUKE BUYS A KNABE PIANO.

Messrs. William Knabe & Co., are in receipt of the following substantial tribute to the merits of their instruments from the celebrated prima donna:

New York, December 20, 1886.

"Messrs Wm. Knabe & Co.:

"Gentlemen—The grand piano furnished me for my concert tour, just ended, has still further convinced me of the superiority of your pianos. They are, indeed, unequalled, and I have determined, therefore to purchase the above "Grand" for my London residence, and have directed my agent to make the necessary pecuniary arrangements with you. Please make shipment by early steamer to my address, London, England, care of Messrs. Metzler & Co., and believe me,

"Your sincere friend,

"MINNIE HAUKE."

—The greatest consolation to one growing old, is the improved surroundings which come with age, experience and wisdom.

We are reminded of this fact by the appearance of the new Seed Annual of D. M. Ferry & Co., the celebrated seedsmen of Detroit, Mich. (They enjoy the enviable reputation of being the widest and best known firm, in the United States). Millions of people, gardening both for profit and pleasure, have found ever increasing satisfaction and delight in using their seeds.

Every one desiring seeds of the highest type and best quality, should secure their Annual. It is sent free on application.

Don't Do It.—Don't rack and ruin your lungs with a tight, harrowing, distressing cough, when a few doses of Hagar's Pectorial Balsam will loosen the phlegm, soothe the irritation, and heal the sore throat and bronchial pipes, and may avert that destructive disease, consumption.

ARE YOU MAKING MONEY?—There is no reason why you should not make large sums of money if you are able to work. All you need is the right kind of employment or business. Write to Hallett & Co., Portland, Maine, and they will send you, free, full information and live at home, wherever you are located, earning thereby from \$5 to \$25 per day, and upwards. Capital not required; you are started free. Either sex; all ages. Better not delay.

SIGNIFICANT!

SOME OF THE LAST PUBLIC OPINIONS OF A GREAT MAN.

New York Correspondence Cleveland Leader.

One has a most excellent opportunity to study "man" as represented by the average New Yorkers. Among the wealthy classes, very many of them have the waxy skin, dropsical flesh, and "puffed eyes" that are indicative of serious kidney affection. "Bright's disease" is plainly written on their faces. Since General Logan's death the subject of rheumatism is being discussed by the medical profession.

Every intelligent person, with any knowledge of the human system, is well aware that if the kidneys are in good condition all unnecessary material is regularly carried off by them. If not, various acids, such as uric acid, one of the chief causes of rheumatism,

are left in excess, creating deposits that cause all sorts of organic diseases. It would seem, therefore, that rheumatism, like dropsy, is not a disease, but the result of a disease, and it is safe to say that if the stomach and kidneys are kept in healthful condition, there will be no deaths from rheumatism.

General Logan was well aware that his disease was of the kidneys, and once expressed himself in indignant terms at the folly of doctors treating him for rheumatism, when it was the kidneys that caused the attacks. The high living and the excesses in all things, prevalent among wealthy men in large cities, especially in New York, is the chief cause for Bright's disease, and the aristocratic trouble known as rheumatism, even as insufficient and improper food bring about the same results among the very poor.

The above article, which we reproduce because of its general interest, is very significant. The public believes that rheumatism is an effect of diseased blood, this disease being caused by uric acid or kidney poison. Enough of this is developed daily to kill several men, and if it is not removed by the kidneys as fast as formed, it gradually ruins the health.

This fact is a scientific demonstration.

If doctors do not admit it, it is probably because they do not wish to attract attention to the menace deranged kidney offers to the general health, since they have no authorized specific for these organs.

General Logan knew what his real trouble was, and he recognized the nonsense of treating the effects—the real seat of the disease was the kidneys. Senator Sittig, of Illinois, whose vote elected Logan senator after four months of balloting, tells us that Logan often complained to him of great distress in his kidneys. Disease of the kidneys always produces rheumatism, Disease of the kidneys always produces rheumatism, and besides that, it causes paralysis, apoplexy, impotency, stomach and blood disorders, brain troubles, female complaints and countless other diseases which would almost never develop if the blood was kept free of uric acid or kidney poison.

These facts the public recognizes even though medical gentlemen for very evident reasons, will not publicly acknowledge them, lest, perchance, some proprietary medicine, like Warner's safe cure, now admitted to be the only scientific specific, will get the benefit.

Fie on such bigotry! It has been authoritatively stated time and again that there can be no real sound health if there is any false action of the kidneys. Insurance companies refuse millions of risks on this ground alone, hence it is that there is such universal popularity given to the great preparation named—a popularity that is based upon intrinsic merit.

Too much dependence upon professional advice, especially in matters over which medical men admit they have no power, too often results very disastrously, but of what use to the victim is experience gained by fatal disaster?

How much better it is to be guided by an unprejudiced public opinion in such matters.

Had Logan been so guided, he might have been spared many years.
