HEAD OFFICE, WINNIPEG

Sir Daniel H. McMillan Capt. Wm. Robinson
Gov. of Man., President Vice. Pres

soon as the dawn had crept over the skies he had hitched up the team and started for home.

"Thank God, to find you alive and well, I cannot tell what I feared to find," he concluded brokenly, and as he held me tightly to his heart I felt a tear-splash down upon my face.

He had brought me my much desired letter, and a month later my dear mother was with us. A few weeks afterwards, another welcome stranger came to My Palace on the Hill—a wee baby boy, Jim's and my little son, and my cup of happiness seemed full to the brim.

As I look back on those early days in this new land I count them the happiest in my life. In our luxurious English home, where we have decided to pass the winter of our days, we sit and read the enthusiastic letters of our first-born son. He is out there with his young bride experiencing the same joys and sorrows that we did, and I smile and sigh, and envy them the shelter of My Palace on the Hill.

THE ALBERTA CENTRAL STOCK GROWERS ASSOCIATION.

The Central Stock Growers' Association was organized at Erskine, July 7th, with the following officers:

President, Geo. F. Root, Erskine.
1st Vice President, James Dew, Buffalo Lake.

2nd. Vice President, A. L. Powne, Ewing.

Secretary and Treasurer, G. T. Kidd, Erskine.

Executive Committee, H. A. Lathrop, Buffalo Lake district; Joseph Harbison, Stettler Island Lake district; J. B. Foxall, Ewing district; Mr. Milligan, Pine Lake district; J. George, Cutbank Lake district; E. Barnett, Erskine district; John McKee, Crooked Lake district; R. J. Wilson, Stettler, Gough Lake district; Robt. Shaw, Gleichen, Hand Hill district.

The constitution adopted is in harmony with that of the Western Stock Growers' Association and the aim of the organization is to promote the interests of the producers of live stock in every legitimate and honorable way and to deal with all questions pertaining to the industry as they may arise.

The association begins its career with some fifty representative cattlemen as charter members.

The following resolutions were adopted:

Whereas, it is the opinion of this meeting that the present regulations respecting the inspection of brands on stock being shipped out of the country is being enforced in a very slack and unsatisfactory manner.

Be it resolved, that this association respectfully suggest to the Minister of Agriculture that the appointment of all brand inspectors should have the approval of this association for all shipping points within its districts.

That the inspectors have the power to compel owners to clip stock on which brand is illegible.

That this resolution be embodied in a petition and forwarded to said Minister of Agriculture.

Resolved that the government be asked to instruct the R.N.W.M. Police to more rigidly enforce the existing fire laws.

Resolved that the following petition be circulated at as early date as possible:

We the undersigned stock growers of Central Alberta, north of the north line of township 33 and east of the Red Deer River, realizing the fact that the present regulation regarding mange and the remedy therefor applies to stock that has not mange and is not brought into contact with stock that has, do petition that only persons thoroughly versed in such diseases be appointed mange inspectors and that only those cattle which are proven to be infected shall be subjected to the dip, as called for by present regulations; and that all such cattle be placed in close quarantine until cured.

We have been informed that the Canadian Horticulturist to which we refer in our July 5 issue is not simply the organ of the Ontario Fruit Growers Association but also of similar associations in the Maritime provinces Quebec and British Columbia having been purchased from the Ontario Fruit Growers Association some time ago.
