TRACTORS REMAIN ON FREE LIST

Ottawa, Feb. 20.—There will be no
modification in the order placing trac-
tors on the free list, notwithstanding
Canadian companies, notwithstanding;
neither will any compensation be given
to the various tractor agencies because
of the purchase by the government of
tractors from the Ford company at cost.

The order was promulgated for the
purpose of increasing production and
expires in a year's time. It applies
only to tractors of a value not exceed-
ing \$1,400. Canadian companies are
not in a position to fill the demand for
tractors throughout the Dominion.
Neither was it possible to secure the
number required from United States
companies, outside of the Ford company.
Already Ontario has asked for 100
Ford tractors, New Brunswick has
asked for 50, Manitoba has placed an
application for 300 and other appli-
cations are coming in rapidly and will
be dealt with by the provincial agri-
cultural department.

The fact that such an arrangement
has been made with the Ford company
is due to the refusal of that company at
the present time to sell its tractors to
individuals. Great Britain has had an
option on practically the whole output
of the factory. The arrangement where-
by the tractors are sold to farmers at
cost, plus the freight, is a special ar-
rangement insisted on by the Ford
company. As a matter of fact, it is
pointed out that all the tractors avail-
able from all the companies will not be
too many if Canada is to carry out her
present plan for increased food produc-
tion.

KIRSTIN ONE-MAN Stump Pullers

With Fingers! Corns Lift Out

Apply a few drops then lift corns or
calluses off—no pain.

For a few cents you can get a small
bottle of the magic drug freezezone re-
cently discovered by a Cincinnati man.

Just ask at any drug store for a
small bottle of freezezone. Apply a few
drops upon a tender, ach-
ing corn and instantly, yes
immediately, all soreness
disappears and shortly you
will find the corn so loose
that you lift it out, root and
all, with the fingers.

Just think! Not one bit of
pain before applying free-
zone or afterwards. It
doesn't even irritate the
surrounding skin.
Hard corns, soft corns or
corns between the toes, also
hardened calluses on bottom of feet
just seem to shrivel up and fall off
without hurting a particle. It is almost
magical. Your drug store has Freezezone.
