

LISTWELL STANDARD.

FRIDAY, OCTOBER 21, 1881.

TOWN AND COUNTRY.

An entertainment in connection with Christ Church Sunday School is in contemplation.

Gen. Gents for your Shirts, Collars, Cuffs, or a stylish Hat go to the Glasgow House.

The Kennedy family, Scottish vocalists, are again in Canada. They will probably visit Listowel.

To the Ladies.—Our stock of Millinery is now fully assorted, and we respectfully invite you to call and have a look through our Show Room. We have some very stylish goods, and you will find our prices moderate.

George Washington was a great general. It was not until he adorned a postage stamp that he was looked upon as a hero.

MANTEL MAKING.—We are now showing a large stock of mantel, cornice, and trimmings. We are also prepared to cut or make mantels to order at prices low.

DAVID BARBER, son of Mr. J. W. Barber, has taken a situation as baggageman on the G. B. & L. E. Division of the Grand Trunk.

CHURCH ORGAN FOR SALE.—We have in stock a new Chapel Organ, of the latest style and finish, which we offer at a very low figure and on reasonable terms.

Osborne's Block, Listowel.

THE STANDARD is issued one day earlier this week on account of Thursday, our regular day for printing, being Thanksgiving day.

Listowel sports have organized for a squirrel hunt on Thanksgiving day. Messrs. Roth and Hacking are the captains of the respective sides.

D. W. Palmer & Co. keep in stock the best Teas in town. We defy any to beat. Try it and be convinced.

An east end lady tried varnishing water melons, to see how long they would keep. They kept till the boys discovered where they were.

H. D. Murray sells his bread at Lake a loaf, notwithstanding the fact that the price of flour, and he continues to take the lead for excellence.

There has been a considerable increase in the passenger traffic on the Grand Trunk (G. B. & L. E. Division) since the road has been opened to Chesley.

If you want to be happy and enjoy the comforts of this world, like your neighbors call at GARDNER'S BROS., Osborne's Block, and purchase a Piano or Organ.

Although early in the season we announce, at the request of Mr. Vernon, that during the coming winter water will be usual freeze with its slippery side up.

Save a cent a loaf by buying your bread at H. D. Murray's.

ALBERT ERIK, the young man who had his foot taken off while doing duty as brakeman on the mill siding recently, is doing remarkably well. His friends expect to see him in Listowel in a few days.

A minister called upon to open the Arkansas Senate with prayer, repeated the Lord's Prayer, whereupon one gentleman turned to another and said: "He stole that, and I will bet on it. I heard the same idea expressed two years ago at a funeral in Kareka."

D. W. Palmer & Co. keep constantly on hand the largest and best selected stock of the choicest Liquors, Wines, &c., in town.

Take.—Mr. A. W. Featherstone, of Newry Station, dealer in fruit and ornamental trees, will deliver a large lot of trees at Collier's hotel, on Friday, 29th inst. Mr. Featherstone purchases his stock from the leading nurseries, and it will no doubt be found fully as good as represented.

The very latest designs in Glassware, (very fancy) at D. W. Palmer & Co's. Call and see them. Notice to stewards.

The excessive rains of the past week have rendered the roads almost impassable. The bottom has fallen out of them as it were. However, should the change which set in on Wednesday continue for any length of time, there is yet a prospect of their improving before the winter sets in.

For a good suit of clothes either Ready made or ordered at prices to entice you go to the Glasgow House.

A Potato blockade has overtaken the Grand Trunk at Port Huron. For upwards of a week there has been a complete block in the freight traffic at that port, caused by the unprecedented export of potatoes from Canada to the States. The crop is evidently very deficient on the other side of the line.

For beautiful sets of Ladies Kid Boots and Slippers or Goat Boots go to the Glasgow House.

The Ontario Express Company has ceased to exist, its business having been brought to a final close on Saturday. For some considerable time its existence has been but little more than a name. Its operations were confined to the line of the P. & O. E. Ry., and consequently its usefulness was limited. The express business on this route will hereafter be under the management of the Canadian Express Co., who took possession on Monday.

Butter, Eggs, apples and potatoes taken in exchange for Groceries at D. W. Palmer & Co's.

THE CHURCHES.—On Sunday last several of the pulpits in town were occupied by strangers. At the Canada Methodist Church Rev. T. Brock, of Mt. Forest, conducted the services, and preached Missionary sermons. The services in the Methodist Episcopal Church were conducted by Rev. Mr. Hartley. The Congregational pulpit was filled by Rev. J. H. Robinson of London. The Lutherans also had a stranger.—Rev. Dr. Sommer of Montreal—to conduct their services, which are held in the town hall. Christ Church and Knox Church pulpits were occupied by their respective pastors, Revs. G. B. Taylor and W. Bell.

Don't forget the Toronto Tea Store, Osborne's Block, for Glassware, good value for the money.

Rev. Mr. LUTENSCHER, Lutheran minister, is about leaving town, and intends to take up his residence in Ohio. The Lutheran congregation of Listowel and Wallace have invited Rev. Dr. A. Sommer of Montreal, to become their minister. We understand that the call is likely to be accepted. Dr. Sommer was in town on Sunday last and preached to the Lutheran congregation in the town hall. The doctor is personally possessing, and it is said to be a man of good abilities and an accomplished scholar. We trust that our German friends will be successful in their effort to induce him to come to Listowel.

Goderich is moving in the matter of having another line to run to their town so as to put an end to the present monopoly enjoyed by the Grand Trunk. The citizens have had an interview with some of the officials of the Credit Valley line, to whom a proposition was made to build a branch from Elora to Goderich, a distance of 70 miles. A handsome honorarium was promised them. Failing that Company, overtures will be made to the Great Western or to Toronto, Grey, and Bruce companies, or both, to build the line, which will tap a very fertile and wealthy country. The chief cause of hostilities on the part of the Credit Valley Directorate seems to be the already large amount of bonded debt on the road.

GARDNER BROS. are selling Pianos and Organs on monthly payments—on a Piano payment of \$10 a month, on an Organ \$5 a month, till paid. Do not pay an extra cent to buy when you are offered payment as above. If you make \$1 per day you can save \$1 a month, and buy an organ and never feel paying for it.

The case of Mohan v. Lilloo was tried at the Waterloo Assize Court at Berlin on Monday and Tuesday of this week. It was an action for damages, brought against the defendant, Mr. Peter Lilloo, of Listowel, by the plaintiff, Mr. Hugh Mohan, of the township of Wallesey, who had purchased some 80 acres of land for \$300 from the defendant in January, 1880. The plaintiff and his three sons in their evidence stated that at the time the bargain for the purchase of the land was made the defendant represented to the plaintiff that the farm was good clean land, free from weeds, and that if the plaintiff found one weed or wild out on the land, he would give him \$200. The defendant denies this. The judge in his address to the jury told them the question for them to consider was, whether the defendant made false representations to the plaintiff at the time the bargain was made. The jury, after being out some time, returned a verdict for the defendant.

G. T. G. B. & L. E. Ry.—The Georgian Bay & Lake Erie division of the Grand Trunk Railway was opened for traffic to Chesley Monday last. For regular express trains now run daily between Chesley and Port Dover—two each way. Daily mixed trains have also been opened on the road between Port Dover and Palmerston. Between Palmerston and Chesley also between Palmerston and Durham, the "mixed" trains only run on alternate days. The halting place of the Wellington & Georgian Bay (Palmerston to Durham) division not being completed, that branch has not yet been opened for the defendant. The opening of the road north has caused a change in the time table, trains now leaving Listowel as under: Going south—Morning Express at 8 a. m. Day Express at 1 p. m.; Mixed at 4.45 p. m. Evening Express at 9 p. m. By this arrangement it will not be necessary to turn out so early an hour as formerly in order to catch the morning train. The placing of a third daily train on the road is also a great convenience, and will no doubt be a considerable advantage to the business of this town. Owing to the short time allowed in Listowel for doing business and returning on the same day, hitherto a large section of Mornington and Elms has been compelled to do its trading in Stratford. This will be no longer necessary, nearly six hours being now given parties who come in by the morning train from south to do their shopping here. As a consequence our merchants will no doubt in future derive the full benefit of the trade which rightfully belongs to this place.

PEEL CHEESE FACTORY BURNED.—A fire occurred on Friday night last in the Peel Cheese Factory, situated on the 4th concession. The building and machinery were totally destroyed. About 16,000 pounds of cheese were stored at the time, half of which was saved in a damaged condition. The cause of the fire is unknown, there being no fire in the building after 3 o'clock yesterday afternoon. The estimated loss is about \$4,000; insured in the Economical of Berlin, for \$1,500.

DONALD.—Mr. Peter Ducklow, jr., has removed from here to a farm near Newry. Peter's genial smile will be missed by his many friends who he has left behind him, and whose best wishes accompany him. We understand that the members of L. O. L., No. 78, propose to celebrate the anniversary of the "Gunpowder Plot" by a dance in the hall. We wish them a merry time.

Messrs. Mason and Terrell have completed the bridge over the Mattland opposite Mr. Jas. Potz's farm.

Messrs. F. and J. Nixon, Albert Gammill, Thos. McNeill, Mrs. J. Magwood, Mrs. Henry and family of Newry, and several others, leave for Manitoba this week. We wish them every success in their new home in the far west.

The roads are in a delightful state. There is plenty of mail, and there are good prospects for an unlimited supply until the snow falls.—Con.

THERE IS NOTHING SO PERMANENTLY beneficial to the sufferer as Norman's Electric Belt. It is now the paper outside of the larger cities, and with brains, energy and capital to back them up, they will no doubt succeed in doing so.

JOHN C. BURT, MERCHANT TAILOR.

LISTWELL, SEPT. 15TH, 1881.

DEAR SIR: The near approach of fall and winter gives us another opportunity of addressing our friends and customers on the very important subject of their clothing. Encouraged by the success of the past we have endeavored to excel ourselves in making provisions for the future. We have goods to hand already of our own selections for fall and winter wear, and would say that for rarity and freshness of style they are superior to anything we have ever offered.

Our stock of FANCY OVERCOATINGS is very attractive, and admitted by every person who has examined them to be the choicest goods in town. As usual, our Scotch, English, and Canadian SUITINGS embrace the latest designs and colorings. In Black goods we show stocking net, Corkscrews, Cassimeres, Irish Serges, Diagonals, Worsted, &c. TROWSERINGS in Whipcords, Hair Lines, Worsted, Shepherd Plaids, and Fancies. Having bought the above goods at the right time, places us in a position to offer them 20 Per Cent Below Regular Price.

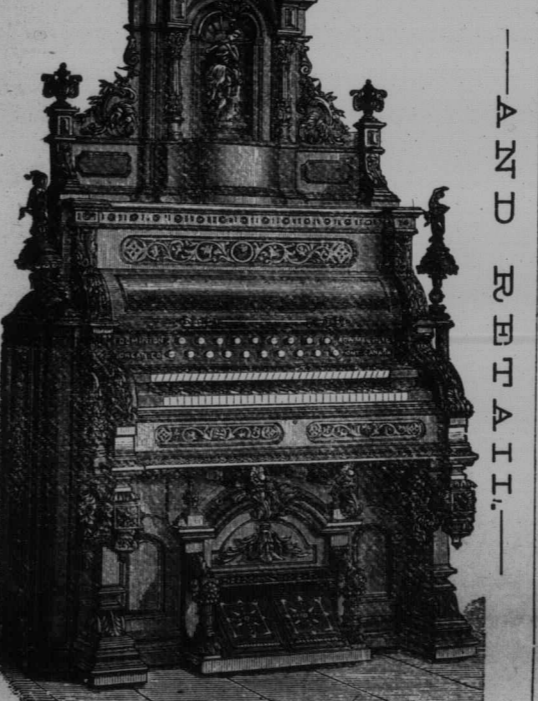

We have omitted nothing that would add to the completeness of our stock, to which we invite the attention of those in search of the very LATEST NOVELTY.

Need we add that we pledge our reputation as first class tailors in the execution of every order received.

Our Mr. R. J. FERGUSON, formerly of Taylor & Kennedy, Toronto, continues in full charge of our cutting department, and we still employ the very best class of workmen.

In soliciting a continuance of the favours bestowed upon us, we beg to thank our friends and customers for their liberal patronage during the past season, which we are pleased to say has been the best we have ever had.

Respectfully yours, JOHN C. BURT.

WE ARE OPENING UP IN OUR SHOW ROOMS IN LISTWELL & MT. FOREST OVER FIVE THOUSAND DOLLARS WORTH OF PIANOS AND ORGANS,

which we have purchased for cash. Intending purchasers will save money by calling and inspecting our stock. We sell Organs and Pianos at a small advance over cost.
