The kidneys must be got right before rheumatism can be really curedand hence the success of this great medicine. Mr. James Clarke, Maidstone, Sask., writes: "I can honestly say that Dr. Chase's Kidney-Liver Pills have done me a world of good. and cured me of rheumatism. For two years I suffered from rheumatism in the shoulders, and could not raise my arms above my head. I could not dress or undress myself without help, and was obliged to hire help to do my work. No medicines that I could find did me any

"A friend wrote from England and begged me to try Dr. Chase's Kidney-Liver Pills. This treatment soon brought relief, and in six months was entirely free of rheumatism. That was four years ago. I am now 60 years of age, and can do a day's work with any man."

PROFIT BY OTHERS' EXPERIENCE

Gray Hair Restored My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me continually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped falling out and gradually came back to its natural color, It is now a nice dark brown color, soft, glossy and pli-able. Several of my friends want to use it, and I want

to know what you will charge me for six bottles of it.

About four mouths ago I commenced using Sage and Sulphur. The first bottle seemed to do some good, and I kept using it regularly until now I have used four bottles. The whole top of my head is fairly covered and keeps on coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement. constant improvement.

A Few Outstanding Facts FROM THE

SIXTY-SIXTH ANNUAL REPORT

OF THE

CANADA LIFE ASSURANCE COMPANY

> Splendid Year.

In important respects the Company in 1912 excelled its record for any previous year in its history.

Greatest Surplus

Earnings.

THE SURPLUS EARNED in 1912 was \$1,530,667, exceeding by over \$237,000 the earnings of 1911, and by a much larger amount the earnings of any previous year.

Interest Rate Increasing.

2. THE INCOME of \$7,396,760 was greater than that of the previous year by \$853,559, and the greatest in the Company's history. The rate of interest earned, which had been steadily advancing since 1899, was further improved in 1912. This is an important factor in producing surplus.

Assets Show Record Growth.

3. THE ASSETS were increased by \$4,044.182, and now stand at \$48,301,523. This growth surpasses that of any previous year.

Another New Record.

4. THE NEW PAID-FOR POLICIES amounted to \$15,512,339, exceeding the amount of the best previous year. 1911, by over \$3,000,000. THE TOTAL ASSURANCES now in force are for \$144,877,970.

Payments Policyholders.

5. THE PAYMENTS TO POLICYHOLDERS in 1912 totalled \$2,462,965, an increase of \$167,891 over those of 1911. In addition to this, LOANS TO POLICYHOLDERS on security of their policy contracts were made for \$1,355,704.

Strong Reserves.

6. THE CANADA LIFE now values \$76,500,000 of its business on a 3% basis, and \$68,400,000 at 31/2%, which means that its Reserves are much stronger than are required by any Government Insurance Department on this continent.
