The report on creamery inspection indicated that there has been a steady improvement of quality from year to year. The output of the creameries of Western Ontario in the past season was 11.310,000 lbs. of butter, an increase over 1910 of 1.758,000 lbs. Most of the creameries are being kept in sanitar condition.

condition. The present value of cow testing was discussed by Mr. C. F. Whitly, of the Dairy branch, Ottawa. The aim of the work is to determine the pro-fit-producing power of each individual cow in the herd, and, by weeding out the poor animals to raise the general standard of the herd. "Milk Casein and Its Relation to the

"Milk Case'n and Its Relation to the Manufacture of Cheese," was the sub-ject of an address by Professor H. H. Deam, of the Ontario Agricultural College. Casein is the chief nitrogenous compound found in milk. Without case compound found in milk. Without the dar in it is impossible to make Cheddar cheese. It is quite as valuable pound the for the making

Chicago, Jan. 15 .- Chicago is on the verge of a coal famine. Dealers said last night that if the present cold weather lasts four more days the surplus will be exhausted. Prices in four days have advanced on various grades from

ten cents to \$1 a ton. Railroads, besides holding the coal for their own use, have been able to deliver brothers were drowned, one in a heroic it only one fifth as fast as Chicago is effort to save the other, when they ven burning it. A snowstorm, which started last

night and continued early to day, caus-ed serious delay to traffic, both on steam railreads and street railways. Nearly all trams during the last 24 hours have arrived late and in many cases trains have been unable to leav stations in this city until hours after chedule time.

## \$5,500,000 is Paid for Canadian Northern Land.

### **BigColonization Plan Cover**ing Various Places.

Toronto despatch: In the signing of Toronto despatch: In the signing of witnessing of a deed between two men in the Canadian Northern offices at 5 there was another crash. The terrified o'clock yesterday afternoon, what is probably the largest land deal in Canidian history, was completed, and what is certainly the greatest cash transaction ever made in Toronto, was arranged. Five and one-half million dollars is the sum involved, and the land disposed of comprises untold acres in Montreal, Port Mann, and about 70 town sites, present and future, in the Prairie Provinces. Lieut. Coi. A. D. Davidson, land commissioner of the Canadian Northern Railway, acted for Mackenzie Mann & Company. as vendors of the property, while Mr. John F. Hansen, a property, while Mr. John F. Land, Scandinavian citizen of Winnipeg, sign-Scandinavian citizen of Winnipeg, signed the papers as purchaser, representin a number of British financial houses, c which the British & Overseas Invest which the isritish & Overseas Invest-ment Company is perhaps the best known; who propose to form, under his direction, a corporation to exploit and sell the land to be acquired in the deal. Mr. Hansen is to have what is de-seribed as a, "first selection" of land in the area acquired recently by the Can-

scribed as a "inst sciection" of land in the area acquired recently by the Can-adian Northern interests in Montreal, a quantity of inside and waterfront property in the new Port Mann terproperty in the new Port Mann ter-minal city on the Pacific Coast, and similar city on the Facilic Coast, and similar privelege of choice in a large number of points in Alberta and Sas-katchewan, including most of the rail-way divisional townsites and practically every divisional townsites in the way divisional townsites and practically every other good city location in these provinces. Two proposed townsites in British Columbia, about midway be-tween Edmontor and Vancouver, which have not yet been plotted or even nam-ed, are also included in the deed. It is intended that the value of land to be taken up shall be evenly divided one taken up shall be evenly divided, one-third in each of the three districts, and in each district a part of every parcel of ground will be selected, Mr. Hansen not confining his acquirements to any one section of a townsite exclusively. negotiations which concluded yes terday, have been in progress for over a year, and Mr. Harsen has been in the city for several days, drawing up the terms in co-operation with Col. David-

son. Hansen said last night, in discuss

# TWO BOYS DROWN

Swept Beneath Ice By Monongahela Current.

**Brother's Plucky Attempt** at Rescue.

Brownsville, Pa., Jan. 15 .- Two young brothers were drowned, one in a heroic tured too far out on ice on the Monon-The dead are: Tdward Grimm, 12 years old; Wilbur Grimm, 11 years old. The boys were sons of Mr. and Mrs. Fank Gimm, of West Bownsville. With

Fank Gimm, of West Bownsville. With two companions, Robrt Newkirk and James Jones, on their way home from school, they stopped to play on the ice where many were skating along the shore. The skaters warned the four against going out too far, as the ice was firm only near the river banks. Suddenly came the ominous sound of cracking ice, a cry of terror and a splash, when Edward Grimm, who was ahead of the others, broke through. Newkirk and Jones, who were in the rear, had time to scramble back to safety. Little Wilbur also could have eaved himself, but instead he crawled toward the opening where his brother was clinging to the edge of the ice. Skaters and others, horrorstricken, watched the little hero as he crept clos-er and closer. They saw him extend a

er and closer. They saw him extend a hand and grasp his brother's coat-sleeve.

spectators saw the brothers, in each other's arms, swept beneath the ice. Seven skiffs ,each manned by men with grappling hooks, were put out in an effort to recover the bodies. At 5.45 o'clock Charles Shutterly and Matthew Thompson drew them from the water a few yards from where the accident had

Niagara District Grievances Against Express Co's.

Think Tnat Two Fruit Spe-

cials Should be Run.

A St. Catharines despatch: The au nual meeting of the Niagara District Fruit Growers' Association this after-Fruit Growers' Association this after-noon was very largely attended, mem-bers being present in large numbers from all parts of the district. There was a long discussion over the failure to secure better terms from the dif-ferent express companies for fruit shipped to all parts of the Dominion. A delegation, consisting of W. C. Mc-Calla, Major Roberts, A. E. Kimmins Calla, Major Roberts, A. E. Kimmins and F. G. Stewart, was named as dele-gates to the Dominion Fruit Confer-ence to be held in Ottawa February 14th.

The following officers were elect-ed: President, Robert Thompson, St. Catharines; Vice-Presidenta, Major Roberta, Winona; Geo. R. Brown, Fonthill; W. C. McCalla, St. Catharines; Robert Dewer, Stoney Creek; Secretary-Treasurer, C. E. Fisher, St. Catharines.

It was decided to tender a complimentary banquet to Hon. Martin Bur-rell, Minister of Agriculture, during the annual meeting of the institute

## **AWFUL AFFAIR**

## 57 Children Perish in Turkestan School.

St. Petersburg, Jan. 15 .-- A despatch from Kuldja, in Chinese Turkestan, states that there has been a Republiuprising there, which is headed can by a Chinese general. The rebels seized the arsenal and demolished the by fortress. All the officials were arrest-ed. Three hundred Manchus, includ-ing the Governor, were killed. A school was burned and 57 children who were in it at the time lost their lives. A republic was declared, and a proclamation issued which guarantee that there will be an orderly Govern

**Two Little Children Burned** to Death.

Other Three Escaped—Head Almost Burned Off.

Toronto despatch: Two of the five children of Mr. and Mrs. D. Dillon, 31 Bird ave., Earlscourt, were burned to death at noon to-day in a fire which destroyed the frame residence in which they lived. The three children who escaped were older.

The father and mother were both at work at the St. Clair Avenue Separate School, the latter taking the place of the lady-caretaker, and the former doing carpenter work. The children were left to their own devices. The fire started from an oil stove

in the hall, and the dead are Aileen, aged 2 years, and Francis, aged 7. Mary, aged eleven, made an ineffect-tal attempt to rescue the two who were

burned. It was twenty minutes before the firemen arrived on the scene after the conflagration started as the district is isolated from the fire hall. When they reached the scene of the fire the walls had tumbled in and the frame building adjacent at twenty-nine Bird avewas also ablaze, but the occup ants succeeded in getting out. At 12.40 the charred remains of the

two children were removed from the

The head of Francis was burned almost entirely from the body.

## THE KING'S TRIP

## Hailed as "The Conqueror of Our Hearts".

Bamboy, Jan. 15 .- The newspapers here, including those published in the vernacular, print a review of the visit to India of King George and Queen Mary. All the newspapers are culo-

gistic gietac. The Jame Jamashed eays: "Five weeks ago it was Bombay's proud privilege to welcome King George to the Empire of India. To-day we bid farewell to King George as conqueror of our hearts." of our hearts.
