OBITUARY

Charles Richard Green

While bagging straw in his barn at the Tin Cap on Feb. 27 at 8:30 preparatory to removing to Brockville, Mr. Charles Richard Green, one of Elizabethtown's best known residents, suddenly collapsed and expired. Assisting him in the work was Alonzo Vout, who immediately gave the alarm. The deceased fell and expired immediately.

The late Mr. Green was born on the farm on which he died. Recently he decided to live a retired life and sold his farm, its stock and implements. He had rented a dwelling on Pearl street and part of his furniture is already here. His intention being to complete the removal next week. Besides his wife, who was Miss Martha Rath, of Kemptville, deceased is survived by one sister and two brothers, namely, Mrs. W. H. Webster, Bellamy's; Messrs. George Green, Boston, Mass.; and Edward Green, of Cornwall. In religion the late Mr. Green was an Anglican.

The funeral took place from his late residence Monday afternoon at 2 o'clock to the Brockville cemetery vault.—Brockville Recorder.

John McMachen

The death occurred Sunday morning of Mr. John McMachen, who resided with his son, Mr. Jonah McMachen, on the second concession of Elizabethtown. He had been ill about two months. He was 78 years of age and was born in the township of South Crosby near Jones' Falls, where he spent the major portion of his life, taking up residence with his son five years ago.

He followed farming all his life. He leaves to mourn his loss one son, Jonah, of Elizabethtown, and one daughter, Mrs. Samuel Gaskin of Lynhurst. He also is survived by three brothers, viz.: Wilson McMachen of Elgin, Thompson McMachen of Plum Hollow, and William McMachen in Michigan. He was a life-long Methodist in religion and a true type of Canadian manhood. The remains were taken on Monday to his daughter's home near Lyndhurst and the funeral was held on Tuesday afternoon.—Recorder.

D. Edith Wiltse

The death occurred at LeGrand, Michigan, on Saturday evening, Feb. 20th, of D. Edith Wiltse, fourth daughter of the late Smith Wiltse and beloved wife of Dr. A. W. Truesdell. The deceased passed away after a lingering illness of several months, being in her fifty-fourth year.

She leaves to mourn her loss, besides her husband, two sisters and two brothers, Mrs. A. J. Love, Lyndhurst; Mrs. G. E. Thomas, Bellevue, Kentucky; and John Wiltse of Escott and Clayton Wiltse of Athens. Her many friends extend to the bereaved relatives their sincere sympathy.

By-Law No. 207

A By-Law of the Village of Athens in the County of Leeds to License and Regulate Owners and Keepers of Stores and Shops (other than Taverns and Shops holding Licenses under the Liquor License Act), where Cigarettes are sold by retail.

Whereas Municipal Councils are empowered by Section 583, Sub-section 28 of the Consolidated Municipal Act, 1903, to pass By-Laws for licensing and regulating the owners and keepers of stores and shops (other than taverns and shops holding licenses under the Liquor License Act) where tobacco, cigars or cigarettes are sold by retail;

And Whereas it is desirable and in the public interest that the sale of cigarettes in the Village of Athens by stores and shops (other than taverns and shops holding license under the Liquor License Act) should be licensed;

Therefore the Municipal Council of the Corporation of the Village of Athens enacts as follows:

1. One month after the passing of this By-Law and upon the first day of January in every ensuing year there shall be taken out by every owner or keeper of a store or shop (other than the owner or keeper of a tavern or shop holding a license under the Liquor License Act) in the Village of Athens, who sells or keeps for sale by retail any cigarettes, cigarette wrappers or cigarette tobacco, a license, for which said license the person or persons obtaining the same shall pay at the time of taking out such license the sum of Seventy-five Dollars.

2. One month after the passing of this By-Law, every owner or keeper of a store or shop in the said Village of Athens who either directly or indirectly sells by retail any cigarettes or cigarette wrappers or cigarette tobacco, unless such owner or keeper of shop have previously taken out the License required under this By-Law, shall for each offence be liable to the penalty hereinafter exacted for an infraction of this By-Law.

3. It shall be lawful for any Constable or Peace Officer in the Village of Athens or for any person appointed by the Corporation for the purpose, to enter into any shop or store where it is suspected that cigarettes are sold and to demand of the owner thereof to be shown any cigarettes which he has in stock and to make a memorandum of same for such purpose as the same may at any time be required.

4. Notwithstanding anything heretofore contained the Municipal Council of the Village of Athens may by resolution reduce the amount of the license fee for the remainder of the current year to such a sum as they may think desirable, provided, however, that such sum shall not be less than will amount to at least 6 25 Dollars per month for every month during which the license is granted during the year 1915.

5. Every license issued under the provisions of this By-Law shall be signed by the Reeve and by the Clerk of the Village of Athens and shall have attached thereto the Corporate Seal of the said Village and may be in the form following:

Received from..... Dollars in consideration of which the said..... is hereby licensed to sell cigarettes in the Village of Athens for the year commencing on the First Day of January, A. D., 19.... and ending on the Thirty-first Day of December, A. D., 19....
Clerk Reeve

6. Every holder of a license to sell cigarettes by retail shall keep the said license prominently posted up in the store or shop where such sales take place.

7. Any person or persons guilty of an infraction of any of the provisions of this By-Law shall upon conviction before the Reeve or any Justice or Justices of the Peace of the United Counties of Leeds and Grenville on the oath or information of any credible witness forfeit and pay at the discretion of the said Reeve, Justice or Justices convicting, a penalty not exceeding Fifty Dollars for each offence, exclusive of costs, and in default of payment thereof forthwith it shall and may be lawful for the Reeve, Justice or Justices aforesaid to issue a warrant under his hand and seal to levy the said penalty and costs, or costs only, by distress and sale of the offender's or offenders' goods and chattels and in case of no sufficient distress to satisfy the said penalty and costs, it shall and may be lawful for the Reeve, Justice or Justices convicting, as aforesaid, to commit the offender to the common goal of the United Counties of Leeds and Grenville for any period not exceeding twenty-one days unless the fine inflicted, and the costs, if any, including the costs of the distress and of the commitment and conveyance of the offender to the goal be sooner paid.

Passed, signed and sealed in open Council this Fifth day of February, A. D., 1915.
M. B. Holmes, G. E. Holmes,
Reeve Clerk

I hereby certify that the above is a true copy of a By-Law passed by the Municipal Council of the Corporation of the Village of Athens on February Fifth, 1915

Signed, Geo. E. Holmes, Clerk

State-Aided Mining.

In every Australian state the Government gives liberal assistance to the mining prospector, and one of the best means adopted is that of establishing reduction plants where the mineral ores are treated cheaply for the individual prospectors. In Western Australia 52 Government batteries have been established, the capital cost being \$1,500,000, and during the past fifteen years they have returned to the prospectors sold to the value of \$2,000,000. Some of the most prosperous mining districts in Western Australia owe their existence to the provision of public-crushing facilities by the Government.

Parliamentary Courtesy.

The story is told of one all night sitting of the British House of Commons, during which one member, who was sleeping in one of the division lobbies with his handkerchief over his face, was allowed to remain undisturbed throughout the voting by members of each side who thought he was "one of the other side."—Pall Mall Gazette.

BLUNDERS OF ARTISTS.

Curious Examples in the Dome of the National Capitol.

In the dome of the capitol at Washington there are eight great paintings carefully designed and executed by the artists for the adornment of the nation's greatest building. Yet five of them are either defective in technique or in error as to natural or historical facts.

One of the best known pictures is that in which Washington is shown resigning his commission to the Continental congress. There are two young girls, almost life size, standing in the foreground. They are very pretty young girls, but one of them has three hands. One left hand rests on the shoulder of her companion; another left hand is round her companion's waist. Doubtless the artist Trumbull painted both hands to see which pose he preferred and then forgot to paint out the superfluous hand.

Diagonally across the rotunda is the painting of the baptism of Pocahontas. Sitting in the foreground is Opeacano, the uncle of Pocahontas. He is barefooted, and the artist has given him six toes on his left foot.

In the painting of the landing of Columbus, which used to be reproduced on the five dollar banknote, the artist has painted three flags. They are very well drawn, but one is blowing east, one west and one south, which indicates a very variable condition of the wind on that famous day.

In the picture of the surrender of Cornwallis General Washington is conspicuous seated upon a white horse. But General Washington was not present at the surrender. Cornwallis did not surrender his army in person, but sent a subordinate officer to do so. Accordingly Washington detailed an officer of corresponding rank to receive the surrender. It would have been a breach of military etiquette for Washington to be present.

The fifth picture, "Signing of the Declaration of Independence at Philadelphia on July 4, 1776," is wrong only in the title. The Declaration of Independence was adopted on July 4, but it was not signed by the members of the congress until Aug. 2, 1776.—York's Companion.

No Use For Fresh Air.

Old time doctors had no faith in the virtues of fresh air. Andrew Boorde in his "Compendious Regyment or Diary of Helth," published 1542, writes: "To bedward and also in the morning use to have a fire in your chamber, to waste and consume evil vapours within the chamber, for the breath of man may putrify the air within the chamber. In the night let the windows of your house, specially of your chamber, be closed, let your nightcap be of scarlet, and this, I do advertise you, to cause to be made a good thick quilt of cotton, or else of pure flocks or of clean wool, and let the covering of it be of white fustian, and lay it on the feather bed that you do lie on."—London Chronicle.
