ACTIVITIES AT THE BOY SCOUT CLUB ROOM

Some of the newly organized Sunday School Classes of boys and girls are starting in good earnest on their winter's program.

On Tuesday evening the "Live Wires" (Tabernacle) held their weekly meeting in conjunction with the "Crusaders" (Anglican). After the devotional and business part of the meeting had been concluded a lively game of basketball was played between the two classes. This resulted in a win for the "Live Wires" by a score of 24 to 7 as two of the best players of the other class were unavoidably absent.

It is hoped that a basketball league may be formed between the boys classes of the different churches. The Scoutmaster has just received from Mr. Paul Tingley a very handsome cup to be used for competition among the Scouts in any way that he (the S.M.) may see fit. If such a league as suggested above can be formed Mr. Brown will put up this cup for annual competition.

The boys are not the only ones who are getting interested. Two of the girls classes of St. John's (Anglican) Sunday School are now organized. The Junior class, known as the S. S. S. Class met at the Boy Scout Club Room on Tuesday afternoon, and the Seniors, the Harmony Class, met on Wednesday evening at the same place.

Last Friday evening Rev. Dr. MacDonald spoke to the Scouts on the 1st Scout Law, "A Scout's Honor is to be trusted". This evening Dr. Elliott will speak on the 10th Scout Law, "A Scout is pure in thought, word and deed". Basketball will be played between patrols and the work on Scout Badges will be continued. A rehearsal of the play will take place and an effort made to get things in shape for the entertainment.

THE NOVA SCOTIA SANATORIUM CHRISTMAS

Armistice Day is only six weeks from Christmas, and not too early to remember the ex-service men who must spend their Christmas in the Sanatorium at Kentville. We have about one hundred and forty of them this year, besides our civilian patients, and we and they have learned to look with confidence and gratitude to the public for help in "putting on" a Christmas Treat, each year. The faithfulness of many of our friends has been splendid and unflinching. But your help is needed. Though the war and the intensified emotions of those years are long over, it is good to believe that the boys are not forgotten.

Gifts of money or of comforts, treats, etc., either in personal parcels or otherwise, reaching us from now up to the 23rd of December, will be greatly appreciated and personally acknowledged.

We specially request that individuals or societies intending to send a contribution will be kind enough to let us know, at the earliest possible date, just what we may count upon from them. This can be readily understood as necessary so that we may know what purchases we ourselves must make, before the Christmas season is upon us.

Address the Medical Superintendent, Nova Scotia Sanatorium, Kentville, N. S.
