THE CANADA PACIFIC RAILWAV. and ahandon violent epithets and vulgar abuse. If the House supported a policy How the Men Live Who are Helping to of economy, the government was only **Build It.**

Robert Ardery has been a year em. too willing to retrench. The Earl of ployed on the engineer's staff in the con- Northbrook had no connection with the struction of the Pacific Railway on the firm of Baring Bros., and these attacks North shore of Lake Superior. In a con upon him were utterly unworthy of Lord ersation with a reporter he said the Randolph, whose attacks were so friconstruction men complained greatly volous the House would pay no attention because of the nature of the food sup. to them.

plied to them and the dilatoriness of the company in paying them.

The food, he says, consists of pork and [From the Courier-Journal.] a poor quality of flour, with scarcely anything else. For this the men are charged \$4.50 per week. It is not sufficient for the men to work on, and quite a number of human events it has transpired that have left on that account. When a man (for patent and cogent reasons we have leaves the company's service he is com- found it necessary to except one product pelled to give notice of his intention to of American industry from the philosophy quit. And here again it is claimed they of the operation of free trade and to inexperience a hardship, as it is frequently sist that there should be imposed upon some time after the expiration of their it as high a duty as the traffic can possibly Saint John, N. B. Orders for Job Printing of All Kinds will Receive Prompt Attention. May 5th. 1884, Notice before they can get their money. During the time they are thus kept wait. During the time they are thus kept wait-any longer (as the French might say) in ing they are charged fifty cents a meal our approach to the subject, we proceed for board.

Then if they wish to return to Ontario export duty on the American girl. it costs them between seven and eight It has become the fashion for American dollars to reach Lake Superior, a distance girls, when they can get possession of

Col. Watterson's New Ideas on Pro-tection.

The Courier-Journal has always been a consistent opponent of restrictions upon the freedom of trade, but in the course at once to demand the imposition of an

of fifty miles. They first pay a dollar to cross Dog Lake in a tug. The captain of this tug has just been "bounced" for While the real who has gone to seed peculiarily. The Get your Clothing made at overcharging passengers. While the regulation fee is a dollar, he is said to have kept bare of matrimonial material most mile sail. A walk of two miles leads the American girl collects and exports from Dog Lake to Manitou Lake, where millions on millions of the domestic stock another tug is waiting to take passengers of specie. to the opposite shore and charge them a The only recourse is to impose on the dollar apiece. The next sixteen miles American girl an export duty of 50 or 75 has to be "hoored," and is described as percent. It might be difficult to estithe worst piece of road in Canada. This mate the value of this girl physically, road leads to Wa Wa Lake, to cross psychologically, and otherwise, but this which the traveler pays still another dolis unnecessary. Levy the tax upon her lar, and finds on quitting the boat a wealth. If she is worth \$500,000, collect seven mile walk between him and his \$250,000 at the port of export; or, if \$1,destination, the Michipicoten river. 000,000, collect \$750,000. The proceed On the edges of the several lakes ing should be very summary. No time mentioned there are boarding houses should be wasted in useless formalities. where they charge fifty cents for a meal such as inquiring into her intentions, that a Toronto guttersnipe would turn whether, like the whiskey men, she merely intends to export and reimport The mail service, Mr. Ardery says, is her wares without breaking the original very badly managed. Every man on the package, or whether she goes abroad for road is compelled to contribute twentyforeign consumption. It is in all such cases a perfectly reasonable presumption the mails, and after all they can't get that she goes in search of some foreign their newspapers with anything like aristocrat whom she can hire to help her regularity. Newspapers, by the way, are spend her American fortune.
