Last evening Welland Avenue choir gave a concert at Lundy's Lane Methodist church, Niagara Falls.

Dr. Publow of Thorold, who has been seriously ill is able to be out again.

Gordon Scott, a seven year old boy living at Montrose, near here, was perhaps fatally injured last night when he jumped off a hay rack in front of an automobile. He was hit on the head and has never regained consciousness.

Word has been received from Rockland (Ont.) that Mrs. Michaud, wife of Harry Michaud, who had been a resident of Thorold for four years died at her mother's home at Rockland, at the age of 32 years, after several months of illness. Besides her sorrowing husband she leaves a son and a daughter.

Action to recover unstated damages has been entered by the executors of the Robert Davies estate against the C.N.R. for damages, they say, caused the brick yards by the stopping of the water flow by a bridge built over the river. It is estimated that the damage is about \$15,000, owing to the water having reduced the green bricks to mud.

At the final meeting of the season of the Women's Law Association of Ontario the constitution committee presented the constitution which they had drafted. It was adopted by the association. The officers elected for the coming year are as follows:—Hon. President, Miss Clare Brett, Martin, president, Mrs. H. V. Laughton, vice-president, Miss Newton. Secretary-treasurer, Miss Harris, corresponding secretary, Miss Taylor; archivist, Miss Palen.

The next in the series of Welland built ships, the Canadian Otter, will be launched from the yards of the British-American Shipbuilding Company, Welland on Thursday or Friday of this week. The vessel has been built in two sections and when completed will be 320 feet long or 60 feet longer than her sister ships previously constructed. The sections will be taken to Montreal and there united. The launching of the section of a vessel is a feat never before attempted so we are informed, and results will be awaited with interest.
