**Public Notice** 

THE measure of your love of freedom is your willingness to deny yourself so that the strength Notice is hereby given that. under the Imperial Army Act, a of the nation for war effort will be increased.

This self-denial must take the form of money-saving-thrift. Each person knows in what way he or she may save.

The national need

NOW, it is for you, each of us, everyone of us to say how much patriotic endeavor, how much loyal sacrifice we will make by saving our money, by "doing without" so that each day will see a surplus to add to our own and the nation's strength. No matter how small the surplus it is important because each saving is

left largely to the individual to say what or how much self-denial each will practice. So if freedom is to prevail individuals must make voluntary
