(Friday's Daily)

The trustees and teachers of Stratheona entertained the delegates to the teachers' convention and the citizens of Strathcona last night in the assembly hall of the Grandin street school. The hall was tastefully decorated with flags, flowers and Chinese lanterns, and a splendid program of solos, instrumentals and readings was given, besides speeches by Dr. McIntyre, M.P., Mr. D. S. Mackenzie, deputy minister of education for Alberta, and Mr. J. McCaig, superintendent of city schools, Edmonton.

Mr. A. McLean, chairman of Strathcona public school board, presided, and in his opening remarks humorously related the methods of discipline used by teachers in the days when he was a boy, when "they used to shake the wits out of a fel-

MAYOR SHEPPARD. Mayor Sheppard welcomed the teachers to Strathcona and conincrease in attendance each year at schools, Edmonton. He was charmed the convention. This new country with the optimism and energy that tractors will commence right away on depended much upon the teachers of the province. The people will probably but the most rapid for the uprightness and intelligence of Alberta are not materialistic but are city this year. of our coming citizens. The child carried the influence of the teacher's training through life. He was a remarkable thing that proud of the Strathcona schools and Dr. McIntyre who was speaking as a ploying sixteen to twenty hands turnpard Mr. D. S. An Australian Discovery BENEFITS THE WORLD.

Bileans, that great gift which Canada has received from her sister colony across the Pacific, is being more and more keenly appreciated here. The fact that Bileans are being looked up to as the safest and surest and most perfect family medicine of the day is due to the many distinctions existing between Bileans and old-fashioned medicines. Bileans occupy the foremest place as a cure for

OF AUSTRALIA. biliousness constination riles. dizziness, and all stomach and sleepleseners, indigestion, headache, bowel complaints.

First, Bileans are purely vegetable. They contain none of the mineral poisons (mercury, calomel, bismuth, etc.,) such as are found in the older pills. They are repared from a formula altogether unique, and possessing a strictly natural action on the system. They do not gripe, weaken or purge. They suit young and old. They promote digestion-give tone to the walls of the stemach and bowels brace up the tired nerves and stimulate the liver. Equally to the housewife in the home, the daughter engaged in the office or store, and the farmer, Bilcans are an indispensable boon. If you have not already tried this successful medicine the propriet rs want you to do so at their expense. Read the coupon below.

Sluggish Liver, Constipation and Indigestion Cured.

The liver rules the body-Bileans rule the liver. "A sluggish liver in my case led o constipation and indigestion,"-ays Mrs. Frances Greene, of Earl St., Kingston (Ont.)
'I felt dull and sleepy, had no energy whatever for work, and every now and again had a bad attack of billousness. The food I ate seemed to lie heavy on my stomach and did me no good. I had wind and cramps in the stomach and bowels from the food decomposing. The constipation was so bad that my bowels had to be forced at each passage. All kinds of medicines I tried, but nothing did me any lasting good until I get Bileans. I have never found anything to equal them for constipation, liver ach troubles. They soon began to do me good and in the end cured me Since then I feel like a different woman. I am bright and buoyant in spirits, not dull and sleepy as I used to be. I have got my energy and activity back; and, in fact
