EDMONTON NOW LINKED WITH FORT WILLIAM BY THE G.T.P.

Fifteen Hundred Mile Stretch Practically Completed—Last Spike Driven on Transcontinental Road East of Winnipeg-Splendid Work Done * on Difficult Section of Road Constructed by the National Transcontinental Railway Commission.

ern Canada starts today. Since May feet; Cross Lake, 1,100 feet; Green 1996, when work was started on the McArthur contract, on what is known as section "F" the construction of the road has been carried out quietly and without any blare of trumpets. Through Wild Country.

Through a rocky country, intersectded by lakes and wild lands, have
been surmounted, some times is
masterful fashion. First several surverys had to be run in order to determine the best route, and parties
worked their way through a wildermess during both summer and winress during both summer and winters. Then the right of way was cut
out, after which followed the trement,
out undertaking of removing from
ous under contract price was \$13,000,000.

Other Great Difficulties. The difficulties of bringing in supplies and equipment by tote road and miles. sometimes distances of over 100 miles, have vet to be told in detail, as well as the difficulties in procuring and holding labor. Since the inception of the work there has been from 6,000 to 9,000 men employed continuously. Hospitals were maintained and on some of the lakes it was necessary to run steamboats and

launches.

The distance of the completed line to Lake Superior is 449 miles and of this was done in this country. this 200 miles compose the G.T.P. nch from Superior Junction to the Lake. This was started in 1905, and inished in January last. The grades on the completed line are lower than any other line to the head of the lakes. These are four tenths of one per cent or the grain haul, and five

Thirteen Bridges on Line. Along the line there are thirteen J. Vopni has the contract for bridges, and of these eight are of steel stations along the line east.

\$40,000 FIRE IN OLD TOWN OF BATTLEFORD

Portion of Business Section of Town After Seven Hours Hard Fighting.

Bulletin Special. Battleford, Oct. 14.-The entire business section of Battleford was threatened with destruction by fire this morning. Shortly after 3 o'clock flames were discovered issuing from the Main street warehouse of McKenzie & Company, implement agents. The fire was then beyond control. It spread to the general store of Bcrnnam & Speers and to Cocks' butcher shop. At 10 o'clock, after nearly seven ours fighting, the firemen had the blaze under control.

The loss on buildings and stock is
