 ARE ABSOLUTELY NECESSARY to sustain life, being an element of every solid and fluid of the body, and they are incapable of injurious results at any period from infancy to old age, or under any possible condition of the system, and no more harm can result from taking more than the prescribed dose than from eating too hearty a dinner.

**Co-Operative Store.**  
 On reference to all our advertisements since commencing business in Guelph seven years ago, it will be seen that we never offered "To Slaughter Goods," "To Sell at Half Price," "To Sell at a Great Sacrifice Irrespective of Cost," "To Sell 50 per cent. under other Houses," "To Keep the Largest and Best Stock in the Dominion."  
 We have carefully abstained from exaggeration, giving facts and figures only, leaving it to the buyers to judge for themselves.  
 Our aim has been to buy low, sell cheap to increase our sales, to allow no house to undersell us, to give our customers a share of profits, and make only one price.  
 The result has been that we have done a steady, prosperous, and increasing business, retaining old and obtaining new customers. Some left us to obtain goods "at half price," but soon returned, as "actions speak louder than words." Hence we will continue to conduct our business on the same principle.
