CROPS THE BEST EVER KNOWN IS MESSAGE FROM STRATHMORE

Reports to the Alberta Pacific Elevator Co. From Many Districts Are Favorable

Conditions Vary, But Outlook as Whole is Better Than for Years Past

Harvesting Under Way at Many Points and Sunshine is All the Farmers Ask

"Crops in this district the best ever nown", is the encouraging report m Strathmore fordwarded in last week's reports to the Alberta Pacific levator company. Reports fron ther districts vary but on the whole ne crop outlook is better than it has een for years past. North, south and nst of Calgary, correspondents re-ort harvesting beginning or already progress, and all that is desired is sunshine and warm weather.

CALGARY NORTH Too much rain, ground so wet that impossible to get on land with binders. Fall wheat PONOKA oats and barley so heavy that it is lodg-

Plenty of rain, making poor hay weather. Crops in fine conditions barley and winter WETASKIWIN wheat will be ready for harvesting in short time. Have had no bad storm
