SEMI-ANNUAL REPORT

G T.R. Directors Report Good Progress Being Made With New Line.

London, Oct. 3. - The G T. R. directors' report shows the gross receipts for the half-year, ended June, to have been £3,027,290, as compared with party £2,559,316 for the corresponding period charged with conspiracy to massacre last year. The net traffic receipts were £805,570, compared with £662 747. With additions from other sources, the net a new Boer republic. revenue is brought up to £907,633. Deducting interest on debenture stocks and bonds, there remains a surplus of

of the payment of 1 per cent on second mortgage income bonds On the Detroit and Grand Haven

line the gross receipts for the half-year were f134,771, against f117,746 in The working expenses amounted to

£107,980, against £100,078, last year, leaving a balance of £26,791, as against The net revenue including charges, were £37,206, against £37,051, in 1904. so there was a net revenue deficiency

of £10,415, compared with £19.383 far the corresponding period of 1904.

In the report of the progress of the G. T. P., the directors say that the work in connection with the surveys for the new road have been energetically pressed forward and that a considerable proportion of the line between Winnipeg and the Rocky Mountains, and also the Lake Superior branch, have been definitely located. A contract on favorable terms has been let for the construction of 275 miles of road from Portage la Prairie to Touchwood Hills. A contract will immedi-

Norman, reaching out his hand for his hat. He was getting angry too by this time. After all he was perhaps well rid of this little spit-fire with her highflown moral notions. "You will perhaps be kind enough to

make my adieus to Mrs. King," he said. frigidly. "I regret that, owing to what you have just so plainly and unflatteringly told me, I am quite unable to do myself the honor of calling upon her

the temper of a fury and the vindictiveness of a virago."

That was Norman Allingham's partic their classes, while Florrie was ing shot. At the conclusion of this their school friends, Stella, hardly lister to the school friends and school friends.

of mock humility and departed. As the dor closed upon him a great dismay fell upon her. She stood for a few instants rooted to the spot, feeling strangely cold and frightened. Then suddenly, without riyme or reason, she sank down upon her knees, buried her face in the sofa cushions, and burst into a passionate flood of tears. Were they all anger and indignation, those tears, that fell in showers from Mysterious Deaths on Eric Railroad

her burning eyes? Stella thought so. And yet down at the bottom of ker heart there was something else that was quite different — disgust at herself and the fierce angry words she had uttered; and a wild and bitter regret that he had taken her at her word and had gone. "Oh. what a stupid, ill-natured, odi-

ous girl he must take me for!" burst almost unwillingly from her lips. "Stella," cried Mrs. King, coming suddenly in. "My dear, what is the matter?" and looking round the room, "Where is your cousin? Is ke gone? It is thought that the man was murdered by tramps on a freight train and then the body was thrown from the Did he say when he would come then the body was thrown from the

"Mamma, he has gone away, and le will never come back again. He will man named Dwight was found leave Valency this evening."

could you say such a thing to him after all I have told you, and when you know of what importance this marriknow of what importance this marriage is? But it is not too late. I will send after him."

"Mamma! You will do nothing of the sort!" dried Stella, catching hold of her mother's hand, for she was already at the door. "The man has insulted me, and I will never marry him." 'How can you be so childish? How has he insulted you? What can he possibly have said?" But Stella still would say nothing

He had insulted her, and she would never marry him, no, never—never! Sne would sooner die than do so; she hoped she should never see him again. That was all that Mrs. King could extract from her after more than an hour of argument, and of every threat that of argument, and of every threat that she could possibly invent in order to hake her daughter's resolution.
"He is a horrible, dreadful, wicked oung man. I can't tell you what he said, I had sooner never repeat it; but I perfectly hate and detest him, and I hope I shall never see him again"

night composing the epistle which was to bear to him such ungracious and unpleasant news; how many rough copies she made of it; how many times she altered and remodeled every sentence and every word, it boots not here to relate. Sufficient to say that in the to relate. Sufficient to say that in the end the letter was writen and posted end the letter was writen and posted It was hard work certainly to make out a good case for her daughter; to tell the old man what had happened without mortally offending him, and without closing the door for good and all to any hopes there might be for a future arrangement of the matter. But Mrs. King was a clever woman, and

she proved herself equal to the emer Her daughter was very young, she wrote; the dear girl had been quite scared at the notion of a lover; she had hardly known what it meant. And Norman had been rather too hasty; he had not given her time enough-young men were so impetuous. Poor little Stella had been frightened into tears; she had sent him away, poor child, hardly understanding what she was doing. But, of course, Norman must not lose heart. He must try again, what you were good enough to confide by and bye. When she was a little old-to me on the subject. And this being pressionable. Her answer, the answer that it will be a great relief to you to hear me say that under no circumstances whatever will I ever consent to Florrie was but a baby, only 15. She knew nothing about it at all - nothing "It is quite as well to be frank, is it the whole matter had better be allowed had been told her. In point of fact not?" said Stella, with a little break in to rest till the next year, and then sho

come right. This was about the gist of the letter, ried Norman, whose vanity was up in and it gave her many a sleepless hour

> have done a great deal of harm your disgraceful obstinacy, not only to yourself, but also to your sister and

"I am very sorny, mamma." that she, too, is to have her chance by and bye, and it is of the utmost im-portance that she should not know anything about your cousin or what has happened in regard to him. Promise me this, Stella.'

"Yes, mamma, I will certainly promise that." And, indeed, Stella was too thoroughly ashamed of the whole scene, and too much filled with indignation "How can you dare to deny it?" cried sire to repeat what had taken place to at her cousin's parting remarks, to de anybody, even to Florrie.

I will not speak of it to Florrie at all," she said; "but I certainly pity her She stopped short, stammering, and if she is ever to become that young man's wife." "That is not your business, my dear.

> But, of course, Florrie asked what had happened and why Stella had been kept at home on that particular morn "Oh, it was nothing," she answered carelessly. "Mamma only wanted to talk to me about - about poor papa's

replied her mother, with asperity.

"How dull! And did she not guess about your going to Madame Halevy's dance, Stella?"
"Not a bit."

I feel almost sure he has gone away again. "How do you know?

"Oh, because Madame Gambeau toid me so; she said he was only a traveler passing through,"and ske blushed again it the ingenuity of her own invention. cause I hope I shall never see you again—never, never, as long as I live!" cried Stella, stamping her foot.

"After that there is evidently nothing left for me to do but to retire," said Norman reaching out his hord for his lever want to speak to him again." never want to speak to him again." "And I, who thought we were going

to have a romance in the family: only wish I had your chances, stella I feel quite sure I should have made a better use of them.' Stella, who began to realize that no-body could have made a worse use of what Florrie called her "chances" than she had done, bit her lip in silence, and felt very much inclined to cry. again. I shall leave Valency tonight. setled down again into its accustomed You will no doubt explain to her the habits. Mme.
