FISH WAS SEIZED AT G. T. R. DEPTO

Undersized Pickerel Located by Vigilant Officers.

Four boxes of fish consigned to Ger ald Lyons, of New York, and shipped by Joseph Jubenville, of Jeannette's Creek, were seized at the Grand Trunk depot last night by Mr. James Weldon and Squire Chittick, as the fish were pickerel and all undersized.

It is strictly against the law to ship undersized pickerel at this season of the year, and Mr. Weldon is keeping a close watch for other shipments, as he has been informed that many other boxes have been going through recently. Last year several seizures of undersized fish were made here. The fish seized were distributed this morning among local charity organizations.
