firm of Foley and Stewart. The men now wanted include trackmen, bridgemen, railway and construction laborers and some teamsters. The recruits can be taken on at any recruiting office in Western Ontario, or at the special London recruiting office of the battalion at 418 Talbot street.

TWO DESERTERS UP

91st and 99th Men in Court-Up Again Next Week.

Two deserters were remanded for one week for sentence by Police Magistrate

Olaf Fredine was arrested on a charge of stealing two pounds of butter and some money from Thomas White, in the north end, but no evidence was offered in this case. Major Osborne, in charge of the military police presented a charge of desertion lice, presented a charge of desertion from the 91st Battallon against the man, to which he pleaded guilty, offering as an excuse that he was drunk when he

William D. Renaud was up some time ago on a charge of deserting from the 99th Battalion. He was then given the 99th Battalion. He was then given a chance to join another battalion, but he refused. It was also discovered that he had told an untruth about his age. "I am going to give some of you fellows two years in jail," said the magistrate. "You cannot make a monkey of me much longer. I gave Renaud a chance to do better, but he will not." Next Wednesday the pair will come up for sentence. up for sentence.

BREAD CARDS FOR DUTCH. Amsterdam, Via London, July 5.— The Dutch Government intends to introduce bread cards throughout Holland, according to announcement made by the Telegraef. The reason assigned for the action is the shortage of grain.

Port Stanley Subscribers

Arrangements have been completed for the delivery of both the morning and evening editions of The Advertiser at Port Stanley until September 4, 1916, and the same satisfactory service regarding news items and delivery of papers that has been in force for the past seven years is assured for this season. Londoners spending their holidays at Port can secure their favorite newspaper by notifying or telephoning the Circulation Department; Phone 3670.

WORKS ON PLANS OF RECRUITING IN WHOLE DISTRICT

ranging Large Scheme.

Will Take Up Brigadier's Ninety Women, Men and Boys Creation of New Office First Capt. Stapleford Has Been Steps in Concerted Effort to Get C.E.F. Recruits.

> Capt. H. B. MacConnell, the newly appointed recruiting officer for Military District No. 1, is now working out a comprehensive plan for the re cruiting campaign to be throughout the district. It will be some time. it is expected, before the new officer is in a position to make carried through in order to swell the considerable data has to be secured. the first step taken by the Government and the militia department in perfecting anything like concerted department has taken practically no picket and fatigue work. cruits, that work being left to the ofrecruiting associations entirely. its aid in getting recruits.

Capt. MacConnell, who was captain and adjutant of the 109th (Victoria that he was recalled from duty with his unit to take over the work in this unit to take over the work in this moval from his battalion command.

Capt. MacConnell's father, Sergt. T MacConnell, of Hastings County, is now with the 224th Forestry Battalion. He went overseas with the 56th. prother is a lieutenant in the 59th Battalion and another is a sergeant in the 109th. A third went over with the first contingent and was through the first big engagements of the war which the Canadians participated. Lieut. Elliott Greene of Toronto, no a prisoner of war in Germany, was partnership with Capt. MacConnell a general contracting business prior the war. The partners disposed their business in order to enlist.

By A. Hasbin, We are told that the French are the uthors of the saying that everything omes to those who know how to wait And it was "Somewhere in France that the fates decided to give us a REPORT WILL BE MADE chance to put that saying to a personal

We had "waited" in hospital ward for Neglect of Duty and Unbecomnearly five months for "a trip on shank's pony." and one day last week, our heart's desire granted, we found ourselves on the King's highway. But from Camp Borden arrived Saturday enter the "back from the dead" list there was nothing athletic in our movements, and we gratefully accepted the rest that a rustic seat by the wayside offered. In the branches of a spreading elm tree, sparrows were merrily twittering, and the scent of new-mown hay in a field across the road, mingled with her that he was a prisoner of war in the perfume of the honeysuckle in the perfumen. Germany He is reported intervening hedge. We were in rural hearing of evidence from several wit-Germany. He is reported intervening hedge. We were in rural

> quare towers of the ancient cathedral in the nearby city, and we longed to explore its historic interior. Pedestrians passing gave us glances of sympathetic interest, and we began to feel that it wasn't such a bad old world after all. Just then an English lark rose from the hayfield and sang its way up, up until it seemed only a speck in the heavens Have you ever heard the lark's song?

With a pleasant "How do you do?" an elderly lady and gentleman who were to another C.M.R. regiment at the passing stopped and shared with us the resident of this city with his parents, way of introduction they told us of their but prior to enlisting had been living patriotic interest in wounded soldiers, and general conversation followed.

As they were leaving, the motherly old soul, with the graceful air of a duchess, opened her purse, and offered us a half-crown (sixty cents). We could feel that it was kindly meant, and learned afterwards that it was customary to offer money to wounded soldiers England. But we respectfully explained that "Out Yonder" we wore the Maple Leaf badge, and that Canadian social customs were different. It was an embarrassing situation for a moment. We compromised by accepting an invitation to take "tea" with them in their nome at some future date. One does not have to travel far to realize that there is a patriotic desire in the hearts of the folks in the homeland to show their appreciation of the boys in "hospital blue." A bunch of soldiers on a route march hove in sight, and just before they reached us, their splendid band struck into the martial strains of "Under the British Flag." You know how it goes. Starting with a crash on 'Rule Britriotic airs, finishing up with a stirring bugle call. The blare of the trombones

blood like a draught of nectar. As we watched the long line march of "other days" around us. Someone has said: "You may dress him in hostaking it by and large, he wasn't far the camp. A. HASBIN.
