THINGS IN PROSPECT,

The rumors of every day need not be magnified into prophecies of great events at hand, nor is it necessary to let imagination run wild, and to see something extra-

ordinary is the visit of a Canadian cabinet minister, for instance, to New York or Washington. And yet some such movewat on the benchers with reference to the ceremonies at the opening of the new hall. Mr. Haught was elected secretary. The de-bate for the evening was on the subject "Resolved that the mechanics' lien act should be abolished." Messrs. Leonard and We are ments there may be, on occasions which are particularly worthy af the country's attention. Sir Leonard Tilley has just left Ottawa for Washington and doubtless many and various surmises as to the object of his Messrs. Haight and Wilson the negative. The chairman decided in favor of the latvisit will be hazarded. It may be that the minister thinks it worth while to inform minister thinks it worth while to inform himself somewhat in detail as to the work-ing of the American funding system by which new bords bearing lew interest are being rapidly substituted for old bonds meeting on Thursday evening the public bearing high interest; or it may be that 17th inst., when the subject of debate will be "Resolved that the ladies should be adthe reciprocity question is again coming up.

Apart altogether from the finance minister's mitted to the bar. visit to Washington, there are several sub-PERSONAL CHIT CHAT. stantial reasons for believing that reciprocity either is or soon will be on the tapis The Prince of Wales sets the fashion for at Washington, where doubtless negotiagloves. Gambetta boasts that he never goes into tions will be conducted. The term of years a place of worship. Mr. Goldwin Smith was at Merton colfor which the present fishery arrangements hold good is drawing to a close, and stateslege, Oxford, on Oct. 26. Hannibal Hamlin sailed for Spain yester-terday from Philadelphia. men on both sides may feel that the revised settlement which must soon be attempted is not a thing to be left to the last moment. The advent of a new British minister at Washington seems to make fitting occasion for the reconsideration of thet washington at the fitting occasion for the reconsideration of the transfer, at washington on Saturday. M. Ernest Renan is staying in Rome, where he is receiving visits from all the that very difficult matter-the fishing ques- principal men of letters and other notable tion. be shown at least as much courtesy as a resident, if not more. We would not like to say that Hanlan is afraid to meet Trick-ett, but it looks a little that way. Next SOCIETY. The regular meeting of this society was held on Saturday night after the delivery of Mr. Hodgins' lecture on the judicature act. The president, Mr. Campbell, occupied the chair. A committee was appointed to wait on the benchers with reference to the

Mr. Hanlan ?

Hanlan-Yes it is.

Trickett-If I had plenty of money you yould not row in Barrie or Toronto either.

You would want to row me somewhere else.

Washington advocated the affirmative, and Messrs. Haight and Wilson the negative. friends of the oarsman.

Barrie, grasp the golden opportunity of making your enterprising town world-re-nowned by having the great Hanlan-Trickett race come off on your bay. One hundred men subscribe ten dollars apiece, and you take the prize.

Mr. Ed. Hanlan, Plaisted and a friend leave on a "starring tour" towards the Pacific slope on Friday night next. He is engaged to make five exhibitions of sculling at San Francisco. Harry Kelly will leave for England next

Trickett has signified his intention of wintering in St. Louis.

PEDESTRIANISM.

THE WARWICK-CARRUTHERS RACE. A new candidate for pedestrian honors has appeared in the person of J. War-wick who was successful in carrying off the It is announced that the Duke of Albany A new call the person of J. War-has appeared in the person of J. War-wick who was successful in carrying off the prize in the hundred yard race on two con-secutive occasions at the Caledonia games, beating Gus. Carruthers and a number of other well-known competitors. It was the the remeives. Toronto. Nov. 5, 1881. will soon marry a German princess. Mr. West, the new British minister, ar personages in that city. Mr. Costigan, M. P. for Victoria, N. B., In England, may the all likelihood be for particular in a strategy for the Otawa an routing of the formation of the routing of the strate water of the route of the routing of the strate water of the route of th challenge to

him for the championship he should have named Toronto bay as the course, but in-stead of that he goes down to St. John and rows the races. Again when he was chal lenged by Courtney he should have named Toronto, as he was then champion of Ameri-ca, having won that title from Eph. Morris at Pittsburg. But instead he makes matches to new the races and he makes matches and he matches and he matches and he makes matches and he matches an

Square of imposing stature and fair com-plexion. His eyes are dark and remark-ably fine. His voice is strong, sympa-thetic, melodious and flexible. His fore-

head, full, broad and expressive, is crowned with thick curly hair. His bearing is IMPERIAL FEDERATISTS. INTERVIENT INTE IMPERIAL FEDERATISTS. courtly, his movements are graceful and rapid. It has been his good fortune easily in particalar. I am a Canadian and in favor of imperial federation, and although I do not flaunt my patriotism, I have no desire to see my country make a retrogade slip, and I have yet to be convinced that she would be doing so by embarking in im-perial federation. For as I understand it, the suffering he endured for its sake. Whenshe would be doing so by embarking in im-perial federation. For as I understand it, in case such a move should be made, the commercial relations between England and her colonies would be adjusted and assimi-lated to the end that the various commer-cial systems would operate harmoniously for the benefit of all concerned. In fact, a commercial policy would be adopted which would foster home industries, develop and enrich the colonies, enhance England's power and influence, and at the same time be a friendly and impenetrable bulwark t against unjust and injurious foreign com-petition. It is not for the "glittering bauble of representation in the imperial parliament," nor yet to destroy Canada and her commercial independence, that some of partiament," nor yet to destroy Canada and her commercial independence, that some of the leading political economists and most practical politicals and thinkers of our country advocate imperial federation, but because they firmly believe that a confedera-tion embracing England and her colonies, based on equitable terms, is the only al-terrative left to meintain intact England'as
