Last Friday night was an anxious time for those who had delicate young plants as the thermometer went below the freezing point. The damage, however, was slight as the previous cold days had hardened the plants.

A telegram was received last week announcing the death of Mr. Frank H. Leacock, of Vancouver, B. C., son of the late H. J. Leacock. Deceased was born in Bridgeton in 1886. He was a member of the Metropolitan Bank staff there, until transferred to the head office at Toronto. His faithfulness in his duties won many honors for him while with the bank. He remained with that institution until his health failed, when he took up his residence in the west. He always had a great interest in athletic sports. Was a member and diligent worker of the Methodist church. Frank made many friends among his schoolmates and was dearly beloved by all who knew him. He leaves to mourn his loss a widowed mother, one sister, Mrs. L. D. Stephens, also of Vancouver, and one brother, Gordon, of Flint, Mich.

Dr. Morgan, of New York, visited his father, Robert Morgan, 4th line, Kerwood, during the past week.

## From Old Subscribers.

Mr. Geo. W. Hagle, formerly of Watford, but now with the Wind Engine & Pump Co., of Calgary, Alta., writes about the crops in that province as follows:—"Conditions in the province in general at the present time are fairly good, the spring seeding having gone in in very good shape, and the weather having been favorable thus far. There is no question but what the soil in Alberta will grow crops, and if we are favored with this kind of weather all through the year, the crop will be a very favorable one."

## An Editor's Outburst.

An accusation was voiced and a solemn request made by Wm. McDonald, the warm-hearted editor of the Chesley Enterprise. "Men," he said, or words to that effect, for God's sake stop boosting the west. What has the west done for you, that you do so much for it? Boost old Bruce and Grey counties the home counties where you live and expect to make your living. And they loudly applauded his utterance.

The Lambton Publicity and Improvement Association is doing the work for our county suggested by Mr. McDonald for Bruce and Grey, and we are getting good results. The officers, Dr. C. O. Fairbank, R. Stirrett and Johnston McAdam, deserve a great deal of credit for the success of this movement.

## Military Notes.

"C" and "F" Companies will leave Watford on one of the fast trains at noon on Monday and on arrival at Sarnia will immediately take the boat for Goderich. Bring your lunch loys.

Lorne Lucas has taken out a commission as Lieutenant and will assist Lieutenant T. L. Swift to look after "C" Company.

Captain R. B. Caldwell was in town on Wednesday. He is Acting Adjutant for the Regiment during camp.

The officers of companies ask for the co-operation of every good citizen. Employers of labor are asked to strain a point and let as many of their men as they possibly can go to camp. There is not one who goes but has to make a sacrifice and that for his country's sake. Patriotism we trust is not dead yet.

There will be a military church parade to Trinity Church on Sunday evening next. "C" and "F" Companies and Boy Scouts, Hussars will be present. Watford Band will assemble at the Public School at 6.30 and parade for Divine service.

Twenty-five more men wanted for Goderich Camp. Do not let the garden parties prevent you from enlisting boys. The girls will be here when you come back. At Goderich it is one continuous round of pleasure and it costs you nothing. Recruits apply to Lieut. Swift or Dr. R. G. Kelly.

## Dominions Soon to be Self-Protecting.

London, June 9.—Hon. Mr. Haldane, speaking at a banquet after Saturday's review of troops, said the dominions were organizing for war on the same line as adopted here. Our forces had been so disposed as to protect the overseas dominions, but the time would come when dominions would have to organize their own naval and military defences, and that meant we should become by far the most powerful military and naval station combined the world has ever seen.

Hon. Mr. Haldane specially referred to the visit of the Canadian cadets, and said, that in the organization of the cadet forces, England had something to learn from the daughter states.

## Forestry on the Pacific Coast.

Ottawa, June 13.—The Canadian Forestry Association will this year follow the plan of 1906, and hold a big Autumn Forestry Convention in Victoria, B.C. The date fixed is Sept. 4-6. This is upon the invitation of the Government of that Province. Hon. Richard McBride, the Premier, and Hon. W. R. Ross, Minister of Lands, are forwarding the plans, so as to make it one of the largest things of the kind held in Canada. The Secretary, Mr. James Lawler, of Ottawa, is now consulting with these gentlemen and Mr. John Hendry, of Vancouver, the President of the Association, in regard to final details.

## With Locked Chams Tied Newly-Weds.

carried to the depot, only to meet the climax of pranks.

Just as the train was coming in the crowd sang "Blest be the tie that binds," and bound the couple tightly together with heavy timber chains. These were secured with a heavy padlock and the key thrown away. Unable to free themselves from the predicament, the newlyweds were carried into the Pullman and were obliged to occupy one chair.

Hundreds of friends who had come from all parts of Delaware, Maryland and Pennsylvania to witness the affair were in it to the last, and the serenade was one of the most strenuous imaginable, the bride being on the point of collapsing when carried on the train. A dispatch from Wilmington states that the tie was so strong and the honeymoon was delayed for over an hour in that city in order to have the "binds" broken by a mechanic.

Phil. Henry, a Ridgetown cattle buyer, bought fifteen head of cattle the other day for which he paid an average of \$108 each. The price paid per lb. was 7½c.

Isaac Vansickle, a farmer, residing on the Blind Line, near Petrolia, attempted suicide by hanging late on Saturday and it was only after doctors had worked over him for a long time that he was restored to consciousness. Vansickle, who is about 27 years old, had, it is alleged, a dispute with his wife, and immediately afterwards went out to the barn, and securing a piece of a chain, tried to hang himself. He remained suspended so long that for a time all hope was given up of restoring him.

The death of Mr. John Mawhinney occurred at Glencoe on Thursday evening. Mr. Mawhinney suffered from a stroke of paralysis some months ago, but was apparently regaining his usual health when he was taken suddenly ill and passed away in a few moments. Deceased owned and lived on a farm north of Glencoe and a few years ago sold it, moving into town where he has since resided. Both Mr. Mawhinney and his wife were stricken with paralysis last fall.

Christian Guardian: Whether its due to misfortune or to sin, the man who is not normal physically and mentally, or who has a communicable or an incurable disease, ought not to be allowed, in justice both to the present and the coming generation, to marry and reproduce his kind. And the church has a duty in enforcing this sentiment upon the state for its embodiment in law.

The working shoes sold at this store are built to last. While every attention is paid to appearance—the main point is durability. It has been said that strong horses could not pull our shoes apart.

While that may be a very strong statement, we pride ourselves on the lasting qualities of those shoes and stake our reputation on their high grade. Come in and see a pair. You needn't buy—but if you do the prices will be made to fit your pocket.
