It is with sorrow that we report the death of a dear neighbor, Mrs. Amanda Jacques, who passed away at an early hour on Friday morning, last, June 14th. Mrs. Jacques, who was a lady passed eighty, had been in failing health since about mid-winter, and despite the best medical aid and nursing, it was soon evident that the end was near. A life-long resident of this place, as a neighbor and friend, she will be much missed in the community, but we cannot mourn, when we know that her sufferings are over and she is at rest. The funeral services were conducted at her home on Sunday afternoon, by her minister, the Rev. Mr. Hockin, interment in the Melvern Square, survive her, Mr. One daughter, Mrs. H. L. Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. FLORENCE ISZLA, Box 197, North Haven, Conn.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the whole system, and snuffs and vapors do little, if any good.

To correct catarrh you should enrich your blood with the oil-fund in Scott's Emulsion which is a medicinal-food and a building- tonic, free from any harmful drugs. Try it—YOU!
