

A CONTRACT OF GUARANTEES

and as safe as a Government Bond with the advantage that it is paid for in annual instalments, is the 5% Investment Bond of the Imperial Life. A \$10,000 Bond will cost the holder if age 30, \$538.00 per annum, and guarantees

- (1) **If the holder die** at any time during the ensuing 20 years, no further instalments are payable, but his representatives immediately commence to draw \$500 annually for 20 years, being 5% interest on the face of the bond, and at the end of the 20 years the bond matures and \$10,000 is payable.
- (2) **If the holder live** to pay 20 instalments, the bond will be fully paid for. He will immediately commence to draw \$500 annually for 20 years, being 5% interest on the face of the bond, and at the end of the 20 years the bond matures and \$10,000 is payable.

For full particulars of a Bond at your age address the Head Office, Toronto
