

Proceedings and Transactions of the Nova Scotian Institute of Natural Science. Vol ii., part ii., 1867-8. Halifax, N. S. : W. Gossip.

We cannot but congratulate our Sister Province, far away by the sea, on its enterprising and valuable Institute of Natural Science, which, judging from its published transactions, and the interesting newspaper reports of its meetings, is doing a good and useful work. The volume before us, though certainly rather late in its appearance, contains many valuable and interesting papers on various branches of natural science, especially on the marine fauna and mineralogy of the country.

Address to the members of the Tyneside Naturalists' Field Club. By the President, the Rev. Angus Bethune, M. A., delivered at its 22nd Anniversary Meeting.
