

The Question of the Day.

"What is good for a cold?" is a question often asked, but seldom satisfactorily answered. We can answer to the satisfaction of all, if they will follow our advice and try Hayward's Pectoral Balsam, a safe, pleasant and certain throat and lung healer. Sold by all druggists.

Easter cards and Easter boxes are already in the shop windows around the retail business centre of the city.

EPHA'S COCOA.—GRATEFUL AND COMFORTING.—By a thorough knowledge of natural laws which govern the operation of digestion and nutrition, and by a careful application of the fine properties of selected Cocoa, Mr. Epps has provided breakfast tables with a delicate beverage which may save us many a "weak" illness. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves fortified with pure blood and a properly nourished frame.—Civil Service Gazette. Made simply with boiling water or milk. Sold only in packets by grocers, labelled—"JAMES EPPS & Co., Homoeopathic Chemists, London Eng."

Chemists are going out of fashion, the corset cover and short petticoat taking their place.

Mr Parquet Boileau, Ottawa says: "I was radically cured of piles, from which I had been suffering for over two months, by the use of Thomas' Electric Oil. I used it both internally and externally taking it in small doses before meals and on retiring to bed. In one week I was cured, and have had no trouble since. I believe it saved my life."

The fashionable flowers for gentlemen at the moment are Neapolitan and Parma violets.

PREMONITIONS OF APPROACHING DANGER, in the shape of digestive weakness, lassitude, inactivity of the kidneys, pains in the region of the liver and shoulder blades, mental depression coupled with headache, furred tongue, vertigo, should not be disregarded. Use Northrup & Lyman's Vegetable Discovery and Dyspeptic Cure, and avert the peril of death. It removes all impurities and gives tone to the whole system.

Ladies wear bunches of heliotrope or fine roses for corsage bouquets this spring.

When the blood is loaded with impurities, and moves sluggishly in the veins, an alternative is needed, as this condition of the vital fluid cannot last long without serious results. There is nothing better than Ayer's Sarsaparilla to purify the blood, and impart energy to the system.

When a dress is said to be made of Irish galine, it means that it is of Irish poplin.

A Valuable Patent.

The most valuable discovery patented in modern times is that of the best blood purifier and liver and kidney regulator known. We refer to Burdock Blood Purifiers, which is making so many wonderful cures and bringing the blessed beam of health to so many people.

The spring ribbons of "kye terriers are de rigueur sky blue or rose pink.

Worms derange the whole system. Mother Graves' Worm Exterminator discharges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

Sashes are important items in children's dresses.
