NA TE FOR D SCOUNTS

3½ Gents a day_

That isn't much money, is it?

Pout twenty five cents a week or so

And a man must be pretty hard up if he hasn't that much to spend every week

Times are hard, they say, but if they are hard now to your family and yourself, what will they be to your family without you?

That's worth thinking about

We think that no man should be without life insurance when it can be had at such a low rate as 312 cents a day from the Manufacturers Life, Yonge Street, corner Colborne, Toronto-

Write to us and we will give you all particulars
