## Electricity as applied by The Owen Electric Belt and Appliances

Is now recognized as the greatest boon offered to suffering humanity. It has, does and will effect cures in seemingly hopeless cases where every other known means has failed. Rheumatism cannot exist where it is properly applied. It is nature's cure. By its steady, soothing current, that is easily felt, it will cure:

Rheumatism,	Liver Complaint,
Sciatica,	Female Complaints,
Spinal Diseases,	Impotency,
General Debility,	Constipation,
Neuralgia,	Kidney Diseases,
Lumbago,	Varicose,
Nervous Complaints,	Sexual Complaints,
Spermatorrhea,	Epilepsy or Fits,
Dyspepsia,	Urinary Diseases,

Lame Back.

## WE CHALLENGE THE WORLD

to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Ordinary belts are not so. Other belts have been in the market for five or ten years longer, but to-day there are more Owen Belts manufactured than all other makes combined.

## RHEUMATISM.

It is certainly not pleasant to be compelled to refer to the indisputable fact that medical science has utterly failed to afford relief in rheumatic cases. We venture the assertion that although electricity has only been in use as a remedial agent for a few years, it has cured more cases of Rheumatism than all other means combined. Some of our leading physicians, recognizing this fact, are availing themselves of this most potent of nature's forces in supplying defects and correcting irregularities.

## To Restore Manhood and Womanhood.

As man has not yet discovered all of nature's laws for right living, it follows that everyone has committed more or less errors which have left visible blemishes. To erase these evidences of past errors, there is nothing to equal Electricity as applied by the Owen Electric Body Battery. Rest assured any doctor who would try to accomplish this by any kind of drugs is practising a most dangerous form of charlatanism. Use the Electric Cure and shun the drug stores.

## BEWARE OF IMITATIONS AND CHEAP BELTS.

Our attention having been attracted to base imitations of "The Owen Electric Belt," we desire to warn the public against purchasing these worthless productions put upon the market by unprincipled men, who, calling themselves electricians, prey upon the unsuspecting by offering worthless imitations of the **Genuine Owen Electric Belt** that has stood the test of years and has a continental reputation.

Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by The Owen Electric Belt and Appliance Company. None Genuine without it.

The cheap so called Electric Belts advertised by some concerns are perfectly worthless as a curative power and dear at any price. A genuine Electric Belt cannot be manufactured and sold at cheap prices.
