"WASHED AWAY AT ST. LEON."

Had Sciatica and Rheumatism very bad for over a year; pains day and night; could not rest or sleep; often confined to bed. Tried everything I could find, but got no relief. Went to St. Leon Springs and got the disease **Washed Clean Away.** That was two years ago, and have never had a twitch of the trouble since.

SIR CHARLES TUPPER, BART.

SIR Charles Tupper has made a brilliant success of politics. He started in life as a Doctor, but medical profession afforded no scope for the peculiar ambition with which he was possessed. He needed an arena in which a roaring eloquence backed by unscrupulous cheek, might be displayed, and this he found in politics. He entered the Dominion Parliament, and soon took a front place on the conservative side. Having achieved all the glory to be got out of a cabinet office he passed on to the unique position of High Commissioner at London, where for some years he has enjoyed a fat living, while performing merely nominal services. When titles were going, Sir Charles got a baronetcy, while other eminent statesmen had to be content with Knighthoods. He has also managed to grow very wealthy, by the simple business plan of looking after No 1.
