A Healthy Sign

in the life of any publication is First: the condition of its subscription list; Second: its class of advertisers. The Commercial has never enjoyed a more prosperous period than the present—particularly in the matter of new subscribers. The reason is not far to seek.

This journal's paid circulation is larger than that of any weekly trade newspaper in Canada, and in the middle and Western Canada its circulation is larger than the combined circulation of all other trade newspapers.

Advertisers in the Commercial get RESULTS. If you want business from the rapidly growing and best buying provinces place an advertisement in

FOR INSURANCE MEN

The Insurance Section of the Monetary Times has been enlarged and strengthened. It is of value to insurance interests—life, accident, casualty, fire and marine. The weekly fire record, under the caption, "Some Recent Fires" is one of the most complete of its kind. Special arrangements have been made also to secure prompt and accurate supplementary data regarding fires previously reported. On such lines is the Insurance section conducted. Its service is of use to all insurance men.
