Pills, and there is not a corner in this wide Dominion in which their virtues have not been proved. A cure which recently came to the knowledge of a representative of being widely known. It is an instance of heart trouble that baffled the skill of a number of physicians, some of whom positively refused to treat the patient on the ground that it was no use. This subject of the affliction referred to is the wife of a highly respected and well-to-do farmer in the township of Logan, near the village of Dublin. Mr. and Mrs. Thos. Green are firm believers in the efficacy of Dr. Williams' Pink Pills, and for very good reasons. Mrs. Green has suffered everything but death from a weak heart, the trouble having afflicted her since early childhood. On several occasions she has been so low that it was not thought possible for her to recover. Her greatest trouble often arose from exhaustion or a sudden start, and at such times her heart seemed to cease its throbbing and the breathing was fitful and labored. Doctor's medicine seemed to have no effect whatever. She was advised by the physician that all that could be done was to keep her strength up, and it was with a view to strengthening her system, and with no hope that her heart would be benefitted, that she began the use of Dr. Williams' Pink Pills. She had not been taking them long, however, when there was an unmistakable relief from the trouble that had made her whole life miserable. During the past summer she has used Pink Pills freely, and has enjoyed better health than for many years before, and has been able not only to do her household work, but also many of the out door chores that fall to the lot of a farmer's wife. The different physicians who have treated her have frequently told her husband that they would not be surprised to hear of her death at any moment, but she is to-day a strong, woman, enjoying better health than she has done for years. Both Mrs. Green and her husband feel grateful for the great benefit she has received from the use of Dr. Williams' Pink Pills, and spare no words in sounding their praises to everyone who enquires what has wrought such a wonderful change in Mrs. Green's health and spirits.

In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., Dr. Williams' Pink Pills are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to pale and sallow cheeks. Men broken down by

over work, worry or excesses, will find in Pink Pills a certain cure. Sold by all dealers, or sent by mail postpaid, at 50c a box, or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N.Y. Beware of imitations and substitutes alleged to be "just as good."

CITY AND ELSEWHERE
(Continued).

Answer to H.J.R.: Battle River, whither Father Husson lately returned, is a tributary of the Peace River, 57o latitude, 118o longitude.

Rev. Fath. Thibaudan, O.M.I., a nephew of Rev. Ernest Desjardins, S.J., formerly perfect of studies at St. Boniface College, will remain at St. Charles till the general retreat of the Oblate Fathers.

Advices from the Peigan Indian Reserve, South Alberta, inform us that Mgr. Grandin, O.M.I., is expected there soon, to inspect some buildings that are going up and to visit the Oblate Missionaries there as well as the Catholic Indians of that Reserve.

Mr. F. W. Russell left on Thursday via the Northern Pacific Railway for a short holiday at Minneapolis and vicinity. Before returning he will attend the Minnesota state Court Convention of the Catholic Foresters as the representative of St. Mary's Court in this City.

At the last meeting of Branch 163, C.M.B.A., the spiritual adviser, speaking on "the good of the Association," mentioned the advisability of having catechism on Sundays taught by lay members of the congregation. The idea seemed to take and will no doubt ultimately bear fruit.

The annual retreat of the Oblate Fathers will take place at St. Mary's Presbytery, Winnipeg, from Aug. 31st to Sept. 8th. It will be attended by all the Oblates of the archdiocese and will be preached by Rev. Father Michel, O.M.I. Very Rev. Father Allari, O.M.I., preaches the corresponding retreat for the diocese of Prince Albert.

Rev. Father Cherrier announced last Sunday that a triduum of preparation for the feast of St. Joseph Calasanzio would take place in the Church of the Immaculate Conception, beginning to-day and continuing Wednesday and Thursday. There will be evening prayer and Benediction of the Blessed Sacrament at 7.15 each evening.

Branch 52 of the C.M.B.A. held a regular meeting Wednesday evening last. The members present all deeply regretted the death of their late Brother, J. J. Courtney, and passed a vote of condolence to his widow. It was also resolved that the sum of \$5 be set apart from the general fund for the purpose of having masses said for the repose of his soul.

Mr. Joseph Bernhardt returned last week from Rat Portage, where he had gone to meet his wife, little daughters and niece, who had been spending part of their vacation with the Faithful Companions at St. Joseph's Academy. The little ones seemed as much benefited by their stay on the shore of the beautiful Lake of the Woods as they say themselves they enjoyed it.

BUYING DRUGS
Is entirely a matter of confidence, as in no other business is sophistication easier; nor does any other avenue afford so ready a means of disposing of worthless articles. You can buy a pair of shoes for \$1 or \$10—it's entirely a matter of quality. There is as much difference in the quality of drugs as there is in shoes, except in purchasing one you can use your own judgment, in buying the other you are entirely dependent upon the honesty and judgment of the Druggist.
In one case it is only a matter of comfort and appearance, and in the other frequently of LIFE or DEATH.
You can always rely with the utmost confidence on the DRUGS and Medicines which you get at
