

PROTECT YOUR BOOKS!

They're too valuable to be strewn about the room or house exposed to dust and damage! Of course you can't help it, if your book-case is full and of the old style solid construction. Better get rid of such a case, or start a new one that will always accommodate your books without being either too large or too small—one that grows with your library and always fits it. The

Globe-Wernicke "Elastic" Book-Case

is the original and only up-to-date sectional book-case and is made by the largest manufacturers of such goods in the world. It's furnished in a variety of grades, sizes

and prices, adapted to any and all requirements. It's a system of units, each unit fitted with the perfection dust-proof roller-bearing door. But we'll be glad to show them if you call, or will send illustrated catalogue on request.
