## **Company/Product Information**

Sunrise Fine Bone China Ltd. manufactures a range of top quality giftware, collector plates, and souvenir items in Fine Bone China.

The China is exceptionally white, very strong non-porous, and translucent.

Sunrise specializes in custom china and employs Canadian artists to design and/or decorate according to a customer's individual needs. Approximately 60 different items are produced from scratch, in patterns that are exclusive to Sunrise or from non-exclusive open-stock designs.

Sunrise is a unique operation with an integrated force of skilled operatives, 70% of whom are developmentally or physically challenged individuals.

Sunrise is well established as a manufacturer of quality chinaware and enjoys the business of major department stores, china boutiques, restaurants, as well as specialized business with major corporate consumers.
