

Business of the House

Mr. Lewis: Mr. Chairman, perhaps on a point of order I might be able to help the hon. member for Medicine Hat. From memory I thought it was so and I have just looked at the statute. I think some words have been left out in the quotation from the statute in the explanatory notes. The statute does refer to "pipe line or lines", when it says:

—provided that the main line or lines, either for the transmission and transportation of gas or oil shall be located entirely within Canada;—

I do not think there has been any change in wording.

Mr. Olson: I was a little surprised, Mr. Chairman, because I was not aware of any change.

Mr. Lewis: There was no change. Words were left out.

Clause as amended agreed to.

Clauses 4 and 5 agreed to.

Preamble agreed to.

Title agreed to.

Bill reported.

Mr. Speaker: When shall the said bill be read the third time?

Mr. Knowles: By leave, now.

Mr. Olson moved the third reading of the bill.

Motion agreed to and bill read the third time and passed.

BUSINESS OF THE HOUSE

Mr. MacEachen: Mr. Speaker, before moving the adjournment of the house I should like to take this opportunity to extend to Your Honour and to members of the house the very best wishes for the holiday and Christmas season. As house leader I should like to thank hon. members for the help and co-operation that has been extended in the management of the business of the house. I believe the house has worked efficiently and productively and that members are entitled to return to their constituencies with the feeling that they have really done an excellent job since we began the session.

Mr. Lewis: Shall we applaud ourselves?

Mr. MacEachen: Therefore, Mr. Speaker, I move, seconded by the hon. member for Westmorland (Mrs. Rideout):

That pursuant to the special order made Wednesday, December 20, 1967 the house do now adjourn until Monday, January 22, 1968.

Motion agreed to and the house adjourned at 6.21 p.m.
