

October 15th, 1927.

Arthur D. Little, Esc.,
30 Charles River Road,
Cambridge, Mass.

Dear Mr. Little:-

Please accept my cordial
thanks for your message of congratulation on
the establishment here of a Pulp and Paper
Research Institute.

I am sure this liaison
between the University and that great industry
is wise and means much to both institutions.
It is a good thing to bring these two worlds
together.

Yours faithfully,

Principal.
