

TABLE No. 1.

FOREIGN COUNTRIES.

Table showing the hour meridians numbered as on the accompanying map and conveniently situated for reckoning time under the hour zone system.

The last column gives the differences between local reckonings and the time of the world—universal time.

The sign PLUS indicates that local reckonings are in advance of, and MINUS that they are behind, world time in each case.

COUNTRIES.	HOUR MERIDIANS.		Hour Zone Reckonings faster or slower than World Time.
	East or West of Greenwich.	Numbered on New Map.	
Argentine Republic.....	60 West	16	— 4 Hours.
