NEW INSURANCE ISSUED

Amounts to More Than Five Millions -Heavy Payments to Policyholders.

The annual report of the Federal Life Assurance Company of Canada, issued yesterday, shows satisfactory advances in every department of the company's business for 1913. business for 1913.

The applications for new assurances amounted to \$5,539,864, exceeding the preceding record year by \$507,226. The new assurances issued and revived amounted to \$5,352,767, making the total assurances in force at the end of the year \$27,578, 182.88. The net cash income from premiums and interest amounted to \$1,-245,140.50, exceeding that of 1912 by \$98,998.23. The total assets at the end of the year amounted to \$5,400,944.30, being an increase during the year of \$513,327.35

year amounted to \$0,400,342.50, being an increase during the year of \$513,327.35.

The average rate of interest earned on the invested funds showed a substantial increase over the preceding year, and now totals 6.13 per cent. The reserves for policy-holders' protection now amount to \$4,847,066, having been increased dur-ing the year by \$440,936. Earnings linoreased 63 Per Cent.

The company's earnings during the year amounted to \$182,839.11, being over 63 per cent. increase on the earnings o 1912. After payment of profits and divi-dends and the writing off of \$51,516.24 for depreciation of securities during 1913, the surplus was increased by \$88,744.95, making the total fund held for policymaking the total fund held for policy-holders' protection, over and above all liabilities, at the end of the year, \$485,-104.90. The deduction from reserves allowable under the Insurance Act was not taken advantage of. Had this been done, the total surplus funds for policy-holders' protection would have amounted to \$581,026.90.

The payments to policy-holders during the year amounted to \$410,100.50. The actual general expenditure of the company was less than in either 1912 or 1911, despite a targe increase in business in force and in new business written. The percentage of general expenses to premium income showed a decrease over 2.2 per cent. 2.2 per cent.

SLIPPED IN SNOW. Men Have Fractured Legs Fol-lowing Bad Falls-

The recent snowfall was directly esponsible for two persons breaking their legs yesterday. Both were con veyed to the General Hospital. James Black, 238 Niagara street, a driver for the Milne Coal Company, slipped while loading a car at the foot of Bathrust street last evening fell and fractured hai left leg. Walking into his work place in the Firstbrook Box Company yesterday afternoon, Alfred Livermore, 350 West Adelaide street, slipped on the floor and broke his right leg below the knee
