

Tempting Desserts that are also wholesome

In these days you want desserts that do more than merely please the eye and palate. They should also serve as *food*, help nourish the body.

Junket can be made in many ways that will *look* good and *taste* good; but it will also and always be *wholesome* too!

It is made with *milk*—and it makes milk more readily digestible.

Junket

MADE with MILK

Junket enjoys the unique distinction of gracing the tables of the most particular people, *as a dessert*, and at the same time being prescribed by doctors, nurses and in hospitals as a *food*.

Try it. If you want to make it in a jiffy, try Prepared Junket (Nesnah). In this form the sugar, flavor, etc. have already been added. Simply dissolve in lukewarm milk, pour into individual dishes and let stand. Six pure flavors to choose from.

A Recipe Booklet and sample of either Prepared Junket or Junket Tablets sent for 3c, stamp. A full package for 12c.
