

EVERY MAN BRINGS "CURZON" Orders

Industry and thrift go hand-in-hand, and the man who wants to prosper must practise both. There's neither sense nor reason in paying twice over for anything. "Money saved is money earned," and if you save 50 cents in the dollar, and if you double your spending capacity or increasing your bank balance. There's not a liner crossing the Atlantic to-day which does not carry our Suits. Our system is perfection itself, and thousands of those residing over-seas are availing themselves of the opportunity afforded by us to secure their clothing from the old country. Our Catalogue-Booklet describing our business is worth getting, and the perusal of same will at once convince that we are a "live," "up-to-date" firm with brains and straight business principles. Our method of Mail Order Tailoring is simple, and you can rely on obtaining the latest styles, either Home Fashions or American cut, correct and unequalled finish, at prices miles in front of any demanded in Canada for much inferior goods. The process is simple. Merely fill in a postcard, and address same to our Distributing Agents for Canada—The Might Directories Ltd.—asking for our selection of materials. By return you will receive our latest assortment of patterns, together with latest London and New York fashion plates, instructions for accurate self-measurement, tape measure, all Free and Carriage Paid. To measure yourself is so simple that we guarantee—an official form of guarantee is enclosed with each Booklet—to refund your money in full if the goods do not fit and are not to your thorough satisfaction. We dispatch your order within 7 days from receipt, and if you don't approve return the goods, and we will refund your money.

OUR GUARANTEE: Clothing at half Usual Cost.

—Flying Arrow Looks Good.
Flying Arrow, the 2-year-old Wickham—Lady Lightfoot II, colt, owned by Mr. T. P. Phelan, was brought in to the city from the Cedar Grove Farm, Oakville, yesterday and will finish his training under Ben Pope at the Woodbine. This colt could well be called a quarter last spring as a 2-year-old in 22 1/2 seconds, and as he is an own brother to Wire In and War Wagon, horses that could go a distance, he should be a factor in the plate race this spring. Flying Arrow has received his early education in the hands of Harry Giddings, Jr., who turned him over to Pope in excellent condition.
