# FLOWER GUIDE

By CHESTER A. REED, B. S.

A GUIDE to the common wild flowers found in the Eastern and Middle States.

Wild Flower Guide is the same size and scope as Bird Guide. It has had an extraordinary sale and has been adopted and used in quantities in many of our leading colleges and schools.

The COLORED ILLUSTRATIONS, 192 in number, are beautiful, artistic and accurate reproductions from oil paintings; the finest series ever made. The text tells where each is found, when it blooms, whether in woods, fields, swamps, etc., the height that the plant attains, whether it is self-fertilized or cross fertilized by insects and how; in fact it gives a great deal more information than one would think possible in a book to fit comfortably in the pocket.

**Bound in Cloth, 75c.; in Leather, \$1.00; postage, 5c.**
