READ HOW DR. WOOD'S NOR-WAY PINE SYRUP CURED

Saskatoon, Sask., Aug. 26th, 1906. The T. Milburn Co., Limited,

Dear Sirs : As I am one of the thousands that have been benefited by your Dr. Wood's Norway Pine Syrup, I thought it my duty to give you a description of my case. "I am 19 years of age and was always in the best of health until last spring when I caught a severe odd by going about with wet feet. It settled in my chest and all the remedies I tried would not stir.it. My friends began to fear it had turned to consumption and were advising me to go east and see a specialist. One day my father brought home a bottle of Dr. Wood's Norway Pine Syrup. I laughed at the idea of it being any good and refused to take it, and only as a last resource would I. When I had finished one bottle I had only a slight cold left and before I had taken a quarter of old left and before I had taken a quarter of the next I was as well as ever I was, if not better, so you can see what a God-send this medicine was to me. I never fail to recomwas to me. I never fail to recommend Dr. Wood's Norway Pine Syrup to my friends and they all use it. To show my full appreciation of this remedy I will gladly wer any letters in reference to it. Be-

Sincerely yours, Miss Winnifred D. Smith. Price 25 cents a bottle at all dealers.
