LOCAL MARKET.

Wednesday, Oct. 7.

considerable transacted at the market this fore-There were 15 loads of hay offered.

Sales were brisk at \$11 50 to \$12 per ton. There should be a good demand for 10 to 50 loads at Friday's market. There was but one load of straw offered, which brought \$4. It was considered well sold. Oats went higher today, as they sold at \$1 07 to \$1 10 per cwt. This is an advance of 4c to 6c per cwt over yesterday's prices.

Several small loads of turkeys and ducks were offered. The former sold at 14c to 15c per pound, and the latter at 50 centime \$1 to \$1 25 pair.

WEEKLY REVIEW.

Hay and Straw-Hay is exceedingly scarce and prices are a trifle higher Sales are made at \$11 to \$12 per ton The dealers say that owing to shortage in cars they are unable to get any quantity of hay shipped in. The crop quantity of hay shipped in. The crop is smaller than for several years back and the prospects are that prices will are boxes of cheese offered; all sold at 12 13-16c; Alexander 680, Brenton 220. keep up. Straw is also scarce. There is, however, a good crop. Prices rule at \$5 50 and \$6 per ton.

money, and against whom nothing has Butter and Eggs-Butter is in good 13,122 boxes, demand; the supply is hardly sufficient for all requirements. Prices range at 22c for store lots and 23c to 24c for choice crocks and pound rolls. Eggs are in fair supply and are selling briskly at 22c to 23c per dozen wholesale mostly at the first-named figure. Re-

tail they sell at 25c per ozen. Potatoes - The demand is excellent Sales are made at 85c and 90c per bag. Some have been shipped in by rail to the dealers, who are selling them to the grocers at 85c per bag.

Fruits - Apples are dull at 40c to 50c per bushel or 50c to 60c per bag. Pears are slower than they were a couple of weeks ago at 90c to \$1 per bushel. Peaches are nearly done. Grapes sell at 20c to 30c per basket. Chestnuts sell

well at \$5 50 per bushel. Poultry-Turkeys sell at 14c to 15 per pound, dressed, or 11c to 12 1-2c, alive. Ducks are in fair demand at 75c to \$1 per pair for most of them, occasionally \$1 25 being paid for a choice pair; ducks, alive, bring 65c to 90c per pair. Chickens are the principal supply in this line; for dressed chickens, 60c to 80c per pair is most frequently paid: alive, 40c to 60c per pair; by the pound. 7 1-2c to 8c, alive, or 9c to 9 1-2c. dressed; old fowl is slow at 50c to 60c per pair, dressed, or 50c a pair, alive. Dressed Hogs-Prices are a trifle

easier at \$8 75 to \$9 per cwt. Live Hogs-Prices here last Monday were \$6 25; the same will probably be paid for next Monday's shipment. The buyers contend that prices will go lower. Small pigs sell at \$4 50 to \$7 per pair, according to age and size.

PRODUCE MARKETS.

TORONTO Toronto, Oct. 17 .- Wheat-Ontario white red, 70½c to 71½c outside; Manitoba, 1 hard, 82c to 82½c; No. 1 northern, to Sic. at lake ports Corn-No. 2 yellow (American), 531/2c at

BEAN MARKET. DETROIT.

Detroit, Oct. 16.—Beans—Cash and the futures, \$1 38, nominal. LIVE STOCK MARKETS.

TORONTO. Toronto, Oct. 16.—The run at the city attle market today was 96 loads, with 557 head of cattle, 2,275 sheep and lambs, 1,557 head of cattle, 2,275 sheep and lambs, 550 hogs and 87 calves.

Trade was generally good today, with a brisk demand for anything of fair to good quality in any class. Choice butcher cattle are still in good demand, with not too many of this class to be had. Fair to medium good butcher cattle fetch fair prices, and good butcher cows are firm at the prices quoted. The run was not prices, and good butcher cows are firm at the prices quoted. The run was not too heavy and the local trade, rather than run chances of the light run on the holiday this week, was ready to take all it could get hold of at fair prices.

A few more feeders were offering than last week and there is still a ready

A few more feeders were offering than last week, and there is still a ready market for this class of cattle, especially of the good quality. Buyers are still open to receive several thousand more feeding cattle to fill up the stables. Good quality steers, 1,100 to 1,200 lbs, fetch from \$3.50 to \$3.75, and for anything very choice about \$4, though there are not many that have fetched this latter figure so far. The export trade is still quiet with your The export trade is still quiet, with very few choice exporters offering. Some ranch cattle were in today, and a few good heavy cattle could be picked out among

Feeders-Good demand; steers, 1,100 to Feeders—Good demand; steers, 1,100 to 1,250 lbs, at \$3 65 to \$3 75; bulls, 1,000 to 1,200 lbs, at \$2 to \$2 50; short-keep, \$4 15 to \$4 25.

Exporters—Market steady, but very little doing; medium, \$4 25 to \$4 40; choice, \$4 40 to \$4 60; extra choice, \$4 75.

Butchers—Market firmer for choice butcher cattle; choice picked butchers, \$4 40 to \$4 50; medium heavy butchers, \$4 40 to \$4 50; medium heavy butchers, \$3 55 to \$4 20; mixed lots and cows at \$1 75 to \$3 50; fat cows, \$3 30 to \$3 50; common, mixed, \$2 to \$2 25. Light Stockers-Market steady to firm;

air demand for good quality stock at \$3 25 Sheep and Lambs—The market is slow and a little easier for lambs, at \$5 50 to and a little easier for lambs, at \$5.50 to \$6.15; sheep steady.
Calves—Market steady to firmer; prices range from \$3.50 to \$8 each.
Hogs—Market firm and unchanged, at

Milch Cows-Market steady to firm, with a good demand for heavy milkers at \$45 to \$55; common, \$25 to \$30. OLD COUNTRY PRICES.

London, Oct. 16.—Today Canadian cattle are better, at from 9½c to 12c per lb; refrigerator beef is firmer, at 8½c to 9c at 160. SUGAR MARKETS.

NEW YORK. New York, Oct. 16.—Sugar—Raw steady; fair refining, 3½c; centrifugal, 96° test, 4c; molasses sugar, 3¾c; refined steady. 4c; molasses Steady.

Molasses—Steady.

LONDON.

London, Oct. 16.—Raw sugar—Muscova-do, 9s 6d; centrifugal, 11s; beet sugar, October, 9s 7½d. TORONTO.

Toronto, Oct. 16.—Sugars are firm and unchanged, as follows: Granulated, \$4.48; yellow, \$4.08, in barrels; in bags, 5c less; Ontario \$4.32.

TORONTO.

ON PERJURY CHARGE

Continued from page one.

between Messrs. DuVernet and Armour counsel for the prosecution, and he coached the inquisitors as to how to trap the men with whom he swears he was in league a few months ago to corrupt the electorate.

The evidence given by Frank Kaltenbach, the London cigarmaker, who swore that he had signed Collins' receipt book for the Hyman-Gray byeelection, simply to accommodate Collins, who wanted to make a big showing of names, is still a sensation in Toronto. Kaltenbach swore he did not receive a cent in any election, and that when he signed the book Collins told him that it would do him (Kaltenbach) no harm, but it would help Collins to get something from the Government. In yesterday's Advertiser it in the West Elgin scandal?" was erroneously stated that the receipt book was for voters alleged to election.

The Afternoon Session

When the investigation was resumed this afternoon, Mr. DuVernet called for David Armstrong and Fred Pickles, of London, but neither gentleman was in the courtroom. He also asked for James A. Corrie, the Ottawa contractor, but he was again disappointed. Mr. Corrie will be notified to be present on Monday next.

Tom Lewis was then placed in the "You have had the advantage of being in court while a number of witnesses gave their evidence?" was the first question Mr. DuVernet asked.

"Yes." the witness replied. "Do you remember the evidence of parts of \$2 bills which you tore in two. stairs." Is that correct?"

"Did he periure himself?" "Either that or he made a mistake." "Did you give anyone that money?"

"Did you promise Clark any money?" "No. "Were you there when he was promised money?"

"Sifton promised several people \$10 in my presence." "How many people did he promise?" "I don't know." "You and Sifton were attending to

this part of the work?" "No. I had nothing to do with it." "I'll leave you out then. Sifton looked after it? "Sifton had the money."

"How long were you in the West London committee rooms?" "I was there three nights." "How many would be dealt with in

"Oh, three or four." "And the arrangement was that they were to get \$10, and then the money was to be placed in an envelope?"

"No. "Collins says his wife got the mesage on the 'phone. Will you contradict Collins and his wife?" "Yes."

"Did he send for you?"

"Collins says you would tear \$10 bills in two and give the voters the halves. Is that untrue?" "Yes."

"Collins say there was an envelope left for Duffield and one for Lewis, and was a fair method of which every comthat there was \$100 in yours. Is that "It is not."

"You didn't get a dollar for your work?

"No." "You never paid any money to any-"None but the \$10 I told you of. "Collins swears you promised him

"Did you tell Collins when he cam eack that you did not blame him for what he had told on the Grits, as they

had not treated him properly?" "No.

"I did not."

"Did you say if they were not care ful you'd tell the truth, too?"

"Nothing like that?"

"Did you ever tell anybody that you would have to consider your friends? "No." "Do you remember telling that to

eporter? "No"

"That's untrue?" "Yes! "You know Mr. Gatecliffe?" "YAS

"The story he told here is not true? "When you met O'Gorman in Toronto, upon your arrival here, did you

"Not particularly." "Did anything take place between you and Wiley?'

"I can't say. I wasn't in very goo shape." "All the money you got in any form, directly or indirectly, was the \$10 you

got from Sifton?" "Yes." "The witnesses who say they made arrangements with you, say what is untrue?'

"Yes." "All you did in the various elections was bet your money?"

"Yes. Mr. DuVernet then asked for the committal of the witness for perjury, and he was placed under arrest. Mr. Wilkie asked for the discharge of George Ardy, one of the defendants, who is a working man and has no

been adduced thus far. Mr. DuVernet would not agree, but he consented to the payment of Ardy's railway fare, and perhaps his expenses. The adjournment till Monday was then made.

money, and against whom nothing has

Bowels WILL SWITCHMEN STRIKE?

A Toronto Rumor Says 22,000 of Ther May Walk Out.

Toronto, Oct. 16.-The local railway world was startled today when a rumor went the rounds that the switchmen between Toronto and Buffalo would go on strike.

They are asking 42 cents an hour fo foremen and 38 cents for helpers. It was stated that the strike would extend to the Pacific Coast, and would affect 22,000 switchmen. The local officials do not think the

on the Canadian roads that have divisions in the United States. The increase means a 20 per cent adou put \$10 in an envelope for him?" vance, and the general managers have turned down the request. The matter "He says Sifton asked you to hold switchmen, who while not disposed to these mixed, talk, appeared to be satisfied. One of them said: "It is only a short

Investments of Sun Life Explained By Its President

Montreal, Oct. 16.—At today's session of the royal insurance commission J. B. MacAulay, actuary and secretary of the Sun Life Assurance Company, was under examination all day and had not concluded when the commission ad-

journed for the day. Mr. MacAulay's evidence was largely devoted to an explanation of the stock investments made by the company. Mr. MacAulay explained that the contingent "Did O'Gorman send you for Collins ties and it was the custom to place such fund was made up of high-class securisecurities among the general assets only when they were dividend bearing. The fund was made up of stocks of the nighest class.

He recommended a number of investments, which had been made, such as Illinois Traction, Mexican Light, Heat and Power Company and others. Mr. MacAulay explained at length the HOT AIR FURNACES. custom of writing off and writing up, as shown in the profit and loss on investment account, and claimed that it

mercial body had a great deal to do. Witness explained that whenever a doubt existed as to the value of a security it was written down, but it did not follow that these securities were bad investments, only that they were doubtful. In some cases they had afterwards turned out all right.

Witness, in answer to a question, said he did not favor policyholders being given the right to vote.

Bowel Troubles of Childhood

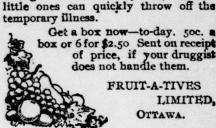

It is impossible to exaggerate the value of FRUIT-A-TIVES as a medicine for children. They contain no alcohol - no morphine or cocaine-no dangerous drugs of any kind.

Fruit-a-tives are fruit juices—con-centrated and combined with the most valuable tonics and internal antiseptics

known to medicine Fruit-a-tives are free of calomel, cascara, senna and the host of violent purgatives that simply act by irritating the bowels. Fruit-a-tives are made from fruit and tonics and are pleasant to take, and so mild in their action that they

never gripe or pain. During the summer, when children are so apt to eat improperly, mothers should have a box of Fruit-a-tives

always handy. At the first sign of Diarrhoea, Indi-gestion, Headaches, Biliousness, Peev-ishness, Vomiting—give Fruit-a-tives according to directions. These splendid fruit liver tablets will instantly correct faulty digestion-clean and sweeten the stomach-regulate the bowels, kidneys and skin - and so invigorate and strengthen the whole system, that the

How to Exercise the

OUR Intestines are lined inside with millions of suckers, that draw the Nutrition from food as it passes them. But, if the food passes too slowly, it decays before it gets through. Then the little suckers draw Poison from it instead of Nutrition. This Poison makes a Gas that injures your system more

than the food should have nourished it. The usual remedy for this delayed passage (called Constipation) is to take a big dose of Castor Oil

This merely make slippery the passage men in Canada will be affected, and for unleading the current cargo. that it will only include men working It does not help the Cause of delay a

trifle. It does slacken the Bowel-Muscles, and weakens them for their next task. Another remedy is to take a strong "Physic," like Salts, Calomel, Jalan, Phoswas discussed with several G. T. R. phate of Sodium, Aperient Water, or any of

What does the "Physic" do?

It merely flushes-out the Bowels with a waste of Digestive Juice, set flowing into

Cascarets are the only safe medicine for

the bowels. They do not waste any precious fluid of the Bowels, as "Physics" do. They do not relax the Intestines by greasing them inside like Castor Oil or Glycerine.

They simply stimulate the Bowel-* * * They are put up in thin, flat, round-corn-The time to take a Cascaret is not
